Three-Year Agreement For School Secretaries

Range of Hourly Pay \$1.89-\$2.72 For Year in GC District

The first formal agreement with Granite City school secretaries was approved Monday night by the school board which set hourly pay at \$1.79-\$2.43 for last year, \$1.89-\$2.72 for 1967-68 and \$1.99-\$2.81 for next year. The range in 1965-66 was \$1.70-\$2.25.

Establishment of a three-year agreement ending June 30, 1969, coincides with the timing of the existing agreements with American Federation of Teachers Local 743 and with custodians and cafeteria employees who, like the secretaries, are represented by Building Service Employees Local 96.

Holidays with pay will be Independence Day (not applicable to those working less than 12 months), Labor Day, Columbus Day, Veterans Day, Thanksgiving Day and the Friday following it, Christmas Eve and Day, New Year's Eve and Day, Lincoln's birthday, Good Friday, Maundy Thursday (if school is not in session that day), Easter Monday and Memorial Day.

Those working 12 months a year will be secretaries at the board of education office, Granite City high school and junior high schools.

Elementary school secretaries may work one week before school opens and one week after school closes if recommended by their supervisors and approved by the superintendent. These extra weeks are not considered as overtime.

Seven, Eight-Hour Days
Working day is set as seven hours for elementary secretaries, 8:30 a.m. to 4 p.m., and eight hours for all other secretaries, 8 a.m. to 4:30 p.m. Two 15-minute "break" days are provided.

South Nameoki Road Bid Is Below \$700,000 Estimate

Preliminary work for the widening and improvement of south Nameoki road is expected to start next month, following Tuesday's opening of bids at Springfield. The low bid of \$688,787 was submitted by A. H. Seebold Truck Service & Excavating Co. The only other bid was \$741,133 by General Contracting Co.

Robert Kronst, district highway engineer at French Village, told the Press-Record that one or two weeks will be needed for rechecking the low bid figures and for acceptance by the state highway department and the U. S. Bureau of Public Roads at Springfield.

With the award of the contract, the builder allowed two weeks for preparation and then the initial work should be started. It will take about a year to do the job," the district engineer said.

State Starts Study On Rte. 3 Lights

The state highway division at French Village is conducting a study of electric traffic signals to control traffic at the intersection of Route 3 and old Chain of Rocks road.

An engineering survey is under way following complaints about the number of accidents which have occurred there during the past year after stop signs were removed for Route 3 traffic when the new Chain of Rocks (Interstate 270) bridge was opened.

Several accidents have caused fatalities and severe injuries. Robert Kronst, district highway engineer, said the cost of the signals would be from \$20,000 to \$30,000.

Dottie DeWitt Crowned 67th Homecoming Queen

(Picture on page 10)
Dottie DeWitt, daughter of Mr. and Mrs. James P. DeWitt, 1334 Lindell hill, was crowned Homecoming queen at Granite City high school Wednesday night. William Harris was selected as the escort.

The coronation was conducted by Miss Mary Beresky, an attendant in last year's coronation.

The event followed presentation of the Homecoming play, "The Wizard of Oz," which will be repeated Saturday night. A capacity crowd of about 850 persons attended last night's presentation.

Club To Tour SIU-SW

Madison Rotarians yesterday completed plans for a dinner and tour Monday night at SIU-SW. Club officers will attend a district leadership forum Oct. 22 in Springfield.

Ice Skate 'Trading Post' Set for 2 p.m. Sunday

"Now is a good time for Granite City residents to dig in their attics, basements or garages and uncover those discarded and outgrown ice skates they stuck away and take them to the new Wilson Park ice rink between 2 and 4 p.m. Sunday," Harold Brown, park superintendent, commented today.

The park office was referring to a "swap, buy or sell" session planned for Sunday afternoon for local residents with outgrown or used ice skates to sell, or those interested in purchasing or exchanging skates.

The unique trading post is being arranged to afford Granite City families an opportunity to get rid of skates no longer used and others to outfit themselves in time for the new \$500,000 rink's official opening next Friday, Oct. 27.

Tables will be set up inside the rink to accommodate individuals with skates to display. Brown said. A brick business in the swap department, especially filling young skaters who have outgrown their footwear, is anticipated, Brown added.

UE Drives Hits 17.2% For First Report

A. O. Smith, American Steel Employees are Honored for Pledges

Competition with the sixth game of the World Series was stiff, but the first report meeting of the Tri-Cities Area United Fund produced enthusiastically yesterday with 17.2% of the \$384,000 reached. The total pledged amounted to \$65,881.

General Chairman Mitchell Milonski timed his initial announcements for the commercials on the television set that had been placed in the YMCA auditorium for the luncheon meeting, but then at about the third inning, the set was turned down for the reports by division chairmen.

Immediately about 15 pocket radios suddenly made appearances on the luncheon tables. Milonski said he had hoped for a 25% report, but the set was turned down for the reports by division chairmen.

Changes to Start Sunday In 1-, 3-Digit Phone Dialing

Two important changes in telephone services affecting subscribers in Southwestern Bell's Illinois exchanges will take place Sunday, according to Roger Ward, manager for the company here.

Beginning Sunday, telephone users will be able to dial charge calls to telephones having the same area code (618) as their own, without dialing the three-digit area code number.

At the same time, all telephone numbers will be converted to All-Number Calling, with seven numbers in place of the present two letters and five numerals.

GC Post Office Boxes at Parkway

Two additional motorist drive-up mail boxes have been placed at the 24th street parkway on Edison avenue and on State street, it was announced yesterday by A. L. "Pete" Metcalf, assistant postmaster for Granite City.

The mail collection boxes are located on the driver's side and added "convenience," Metcalf said the boxes were placed along the one-way streets to reduce traffic hazards and to serve persons traveling in both directions.

Metcalf said, "provides ample space for a motorist to pull up to the box without creating a hazard. Postal authorities conferred with Police Lt. William Condis of the traffic division before the new installations.

The assistant postmaster explained that any relocation of the drive-up collection mail boxes is usually carried out for safety reasons but also may result from lack of use.

We try to place the boxes where the greatest number of patrons will be served," he added.

Dow Worker Dies In Explosion At Local Plant

A Bend, Ill., man employed at the Madison plant of Dow Chemical Co. was killed instantly in an explosion at 3:45 a.m. yesterday in the division's magnesium extrusion plant.

Preliminary investigations indicate that Thomas L. Bertagnoli, 387 South Second street, Bend, a utility man, struck his head on the door of a dust-catcher he was cleaning when a small explosion occurred inside the equipment.

Company officials report an investigation is under way to determine the cause of the explosion. Damage to the equipment was reported as minor. Dow's Madison plant manufactures magnesium, aluminum and other metal extrusions and sheet.

Another employee, Jay DeBenedictis, 26 of Edwardsville, who was working near the Bend man, was uninjured in the accident.

Mr. Bertagnoli sustained severe burns over his entire body and crushing head injuries. He was pronounced dead upon arrival at St. Elizabeth Hospital at 4 a.m. Wednesday. An inquest will be conducted by Deputy Coroner Alvin Coase of Granite City.

A native of Litchfield, Ill., Mr. Bertagnoli had resided several years in Bend, and attended high school there. He was a member of the U.S. Marine Corps Reserve and had day in Granite City and that under the city's more stringent law, this could be reduced by \$100,000, or 1,000 pounds to 11.5%, or 2700 pounds under the state code. He told board members he had no estimate on the cost of equipment required to meet the city's July 3 standards.

DeBenedictis advised board members that its purpose is to serve as a board of appeals and policy body. Members discussed the possibility of getting a certificate of exemption from the state, but reached no conclusion. Womack commented that cooperation would be needed from the state and industries.

Prof. Hoelscher said the city should not expect too much help from the state Air Pollution Control board because of its limited budget.

Mayor's Questions
Mayor Partney has asked the federal government's Division of Air Pollution Control to determine if the city could be eligible for a grant of federal funds to help the city conforming to state standards.

"We were turned down by the federal government on our request for a grant of federal funds," he said, "but we are under study and that I will be given an answer in writing."

The mayor said, expressing doubt that the answer will be received by next Monday.

The mayor said he also has not received a reply to his Oct. 5 letter to C. W. Klusness, technical secretary for the state Air Pollution Control board.

"I know the state board is short-handed, but I would like to know the answer," he said.

Clean Air Law Status For GC Still Is Pending

Status of Granite City's latest clean air law—the ordinance adopted Oct. 2 to conform with state standards—is still up in the air.

Mayor Partney said today he is seeking the answers to several questions before he decides whether to sign the law or veto it. He is seeking the answers from state and federal levels.

In the event of a veto, the 11-to-4 vote of the council for adoption of the state standard law and repeal of the more stringent July 3 city code, would be sufficient to override the mayor's action.

The mayor told the Press-Record that no announcement of his decision would be made in advance of next Monday night's council session.

Questions Council Action
He contends the council's action of Oct. 2 in approving the state standards for the city was illegal since the board of aldermen did not rescind an amendment to the original presentation motion for a public hearing to be called before final action. "That could result in some sort of court action against the city," the mayor said.

Proponents of the state standard law for the city on the other hand contend the council sessions have been open forums with capacity audiences and should suffice as public hearings.

In view of the present status of the law, the city's Air Pollution Control Board met at the city hall Monday evening and discussed the ordinance.

Only if a session is called by chairman Henry Biernicki.

Biernicki said the board had no idea what stand Mayor Partney would take on the issue. Members present were Theodore Biernicki, vice-chairman, Mrs. M. J. Freedman, William Krause, Gilbert Sykes, Dr. George T. Wilkins and Sidney Womack.

Womack, acting technical secretary for the Citizens for Clean Air group.

Report by Staffer
The board heard a report by Prof. Hoelscher on letters received from the state Air Pollution Control board.

He said the board had received 11 local firms. Hoelscher commented that surveys show 12 tons of particulate matter in the air per day in Granite City and that under the city's more stringent law, this could be reduced by \$100,000, or 1,000 pounds to 11.5%, or 2700 pounds under the state code. He told board members he had no estimate on the cost of equipment required to meet the city's July 3 standards.

Lower Rates on Interstate Phone Calls to Begin Nov. 1

Further reductions in charges for telephone users are contained in rates the Bell System will file to be effective Nov. 1, it was announced here this week.

The lower rates will apply to interstate long-distance calling, and were developed to comply with a Federal Communications Commission order that revenues be reduced.

The telephone user will benefit in three ways: (1) lower charges on many calls; (2) longer time periods and added days (Saturdays and certain holidays) when low rates apply; and (3) a new "midnight to 7" special dial rate with a 75-cent maximum within the U. S. continental limits.

The total package features major reductions but has small increases for some interstate calls under 24 miles. Overall, it provides a saving to customers of \$100 million.

The upcoming rate changes represent the 22nd major reduction since coast-to-coast service began in 1915.

The first year, a call between New York and San Francisco cost \$20.76. Reductions followed and by 1940 the day rate was \$4.

The dramatic \$1 night rate came in 1963 for calls "after 9," followed in 1965 by "after 8."

In this 52-year period, the consumer price index has tripled, but the lowest rate for a transcontinental call is now less than 1/100 of the 1915 level.

An explanation of the Nov. 1 changes follows:

The 8 1/2 hour span of the present night rate will be extended to 12 hours. To be named "after 7 and weekend," it will extend from 7 p.m. to 7 a.m. each weekday, plus all day both Saturday and Sunday. At the longest distance, the rate is \$1 for a three-minute station-to-station call.

100 "Holidays" The "after 7 and weekend" rate also will apply all day on Thanksgiving, Christmas, New Year's Day, July 4th and Labor Day. The effect in 1968 will be 100 days—Saturdays, Sundays

and holidays—when the "after 7 and weekend" rate applies.

The present evening rate period will begin an hour earlier, becoming 5 p.m. to 7 p.m. each weekday and will be named "after 5." The rate for maximum distance will be lowered from \$1.50 to \$1.25 for the first three minutes of a station-to-station call.

Daytime station rates beyond 468 miles will be lowered and the maximum for a call across the country will drop from \$2 to \$1.75 for the first three minutes. The new "weekend" station rates will apply from 7 a.m. to 5 p.m. Monday through Friday.

A new "midnight to 7" special dial rate will be introduced featuring a 75-cent maximum for a call across the country. The rate will apply from midnight to 7 a.m., seven days a week, for station-to-station calls dialed by the customer from non-coin phones. Credit card, collect, or other calls needing operator assistance will not be included.

The new "midnight to 7" special dial rate and the extension of the night rate will be of special benefit to both residence and business users on the Pacific coast in placing calls to the east coast.

Person-to-Person Rates

Person-to-person rates will also be lowered here. The maximum daytime rate for three minutes will drop from \$3.50 to \$3.30. After 5 p.m., the maximum will be reduced from \$3.00 to \$2.85 for the first three minutes.

Other reduced rates will include lowered rates for Area Telephone Service rates, and reductions on some overseas service.

Included are rate increases for some interstate calls from 0 to 24 miles. None of these increases will be more than five cents for the initial period. These increases are needed to improve the relationship between costs and charges for short distance telephone calls, a problem common to both the Bell System and independent telephone companies, a spokesman said.

Special Award Won By Boris Filcoff

Boris Filcoff, sales and service representative of the John Hancock Insurance Co., was awarded the Chartered Life Underwriters designation at the National Conference Exercises of the American College of Life Underwriters in Chicago. It was announced here this week.

Filcoff, who resides at 1307 Iowa street, Madison, is one of three local area men to receive the honor. The others are Jack Kulenkamp of the Metropolitan Co. and Glenn Abenroth of the John Hancock firm.

Filcoff completed 25 years with his company on Sept. 30 and has received the firm's national quality award for 18 years and the regional honor club for the past eight years. He is a past president of the East Side Life Underwriters Association and currently is on the board of directors.

The CLU program is designed to meet professional education needs for insurance agents, and four to five years special study is needed to qualify for the award.

United Fund Goal for Quad-Cities is Set by Quad-Cityans

Just how is the United Fund goal determined?

Answering that question, Mitchell B. Milonski, general chairman of this year's \$384,000 fund campaign, said the total is determined after a detailed review of budgets submitted by each of the agencies and by personal interviews with the staffs or representatives of each agency.

"This is done by a group of 15 individuals—laboring men, businessmen, union leaders, industrialists, lawyers and housewives—people who know the entire Quad-City community and who know the needs of the individuals."

The drive chairman, who pointed out that he has served for three years on the budget committee (officially known as the Admissions and Distributions committee) added that the members meet in June to do the job of determining actual amounts for each agency and then submit a recommendation to the United Fund board of directors.

Long, Hard Hours

"They go at it for long, hard hours for two days and two nights to study requests by the 20 United Fund agencies. Each one is carefully screened and each agency representative is questioned in detail on where each dollar goes and why increases are needed."

"In some cases, budget requests are cut, or if the committee feels there is a greater need, the agency request will be increased. Either way, the committee gives thorough attention to each item listed on a budget by an agency—that's why it takes two days and two nights to do the job," Milonski said.

Committee Members

Heading this year's Admissions and Distributions committee is George Becker, international representative of the United Steelworkers.

Serving with him are—Dale Arnette, Thomas Ditchfield, George Eubanks, Melvin L. Gillie, Mrs. Irene Haug, John Haynes Jr., Paul Kemp, Leo Konzen, Robert Means, William L. Milonski, Mrs. Helen Peters, Mrs. Leo Roman, Robert Rotter and Archie White.

The 1968 allocations for each

agency in this year's drive are: American Red Cross, \$34,500; American Social Health Agency, \$774; Artthritis Foundation, \$2500; Boy Scouts, \$3,000; Boys' Town of Illinois, \$700; Catholic Charities, \$36,500; Co-ordinated Youth Services, \$25,000; Family Service Agency, \$4200; Fraternal Society of Retired Members, \$1500; Girl Scouts, \$2,750; Granite City Association for Aid to Retarded, \$6200; Health Service Fund, \$7900; Illinois Children's Home and Aid Society, \$5000; Madison Teen Town, \$2397; Protestant Welfare Association, \$12,000; Salvation Army, \$2,480; USO, \$5775; Visiting Nurse Association, \$4300; YMCA, \$78,800; United Fund administration and AFL-CIO

Community Service, \$38,275, and set up for campaign expenses and a reserve for unpaid pledges, \$9700.

Women Now May Serve On Episcopal Vestries

Women have just been made eligible to serve on the Vestries of Episcopal Churches in the Diocese of Springfield by action of the 90th Synod of the Diocese of Springfield held at Trinity Episcopal Church in Jacksonville, it was announced this week.

Mrs. Roth S. Smith of Morton, president of the Episcopal Church Women of the Springfield Diocese greeted the change in the rules of the Diocese which had previously restricted membership on vestries with the statement, that, "now women must learn to take on additional responsibilities in their churches and in the Diocese."

A resolution affirming "the right of all men to live where they choose according to their economic ability" and stating its belief that a fair housing law should be passed by the Illinois Legislature.

The Right Rev. Albert Arthur Chambers, D.D., S.T.D., Bishop of Springfield, presided over the Synod which was attended by 300 delegates and observers.

The soccer season coincides with the basketball and wrestling seasons in late fall and winter. So far, five games have been scheduled for 1967-68, the initial GCHS soccer season.

Membership in the St. Louis High School Soccer League will be sought for the 1968-69 school year. Members of the league play each other once, and the contests are held on Thursday afternoons.

At present, no Southwestern conference schools have soccer squads and only one of them is believed to be considering it. Submission of the request was approved Monday night by the Granite City school board, which also authorized new Grigsby junior high school to join the Madison County Junior High Conference.

GCHS May Join Soccer Conference

To aid in obtaining games for the new variety soccer team of Granite City high school, the local school will ask permission to join the St. Louis High School Soccer League.

The move will not affect GCHS membership in the Southwestern Illinois Conference for other varsity sports.

The soccer league now includes Assumption of East St. Louis, Augustinian Academy, St. Louis University High School, Christian Brothers College Prep Seminary, St. John's, Cleveland, O'Fallon and Roosevelt.

MHS Hoping for Breeze GCHS Seeking 1st Win This Evening at Breeze In Homecoming Contest

Madison high school has recorded victories in its first four games this fall and is a heavy favorite to make it five in succession tonight.

The Trojan football team for the third time this season will be meeting a team new to varsity competition when it opposes Mater Dei at the Breeze field at 8 o'clock. The previous new varsity squads played by MHS were Triad and O'Fallon.

The two teams go into the game with opposite records. Mater Dei has failed to win a game thus far, losing to Gillespie 20-0, Greenville 20-7, O'Fallon 13-7 and last week to Belleville 47-2.

Madison's excellent record thus far—14-12 over O'Fallon, 33-12 over Western Military Academy, 20-15 over Highland and 25-8 over Triad—may be due to the fact that the Trojans have played schools of comparable size. They have been fortunate in avoiding injuries, in contrast to some of their recent seasons.

Mater Dei's coach, Dan Hopcus, told the Press-Record this week that the biggest lesson his boys have learned this season was in the game with Belleville East. When they reported for practice this week, they seemed to realize that they must be prepared to start hitting hard.

Coach Hopcus commented that a big difference could be felt throughout the squad this first time since 1962.

The Granite City high school football team will have two goals when it meets the Wood River Oilers at the GCHS field at 8 p.m. Friday—the first victory of the year and its first Homecoming win in four years.

The Warriors have a serious problem to cope with, though they have ten players out with injuries suffered in games and drills.

Doug Wickham is out with an ankle injury, Mike Dochwat, Tim Wallace, Nelson Rediger and Dennis Garver with knee injuries, Jim Johnson and David Mullinax with shoulder injuries, Ron Kee, head injury, and Jim Jones and Steve Stief, leg injuries. All may miss tomorrow's game.

Coach Jim Morrison, of course, would rather have "everybody well. We expect a strong game from the Oilers; they execute their plays very well."

Wary of Collins, Shipp Hopcus has scouted the Trojans and concluded that "if we expect to win, we're going to have to find a way to stop Full-back Titus Shipp and End Joe Collins. They are fine ball players and really help the Madison offense and defense."

"We're working on improving our running game. We had a good quarterback when the boys relied on for passes, Jim Tierney, but he is out with a knee injury."

Leroy Creep is out with a sprained ankle, Dale Creep also has a sprained ankle and Paul Markus will see no more action this year due to a broken hand. Madison, in contrast, has been trying to improve its passing game while also preparing to cope with Mater Dei's spread offense.

With a victory, the Trojans would exceed four wins for the first time since 1962.

GCHS holds a 25-15 edge over Wood River, with two ties, but its 19-7 win in 1964 was followed by a 7-14 loss in 1965 and a 7-20 defeat last year.

The Oilers are fifth in the Southwestern Conference with 6-1 and have a 1-2-1 season record, compared to the last-place Warriors' 0-2-0 and 0-3-1.

Oiler Coach Wayne Williams is not over-confident. "In most games you see only the basic T formation, but Granite City shows you the T, I and a lot of split end formations. This makes it more difficult for our defense."

He is stressing ball handling to cut down the number of Oiler fumbles. "We have no really key men in our offense, but all our boys are good receivers and we have a fine quarterback." The Oiler line will average 190 pounds to GCHS' 177.

It's 'Los Birdos' In World Series
A Granite City high school sophomore, Theresa Pashea, has corrected reporters and players who have been calling the St. Louis baseball Cardinals "El Birdos" since they started their rush to the National League pennant.

The correct phrase is "Los Birdos." She notes when using correct Spanish, one uses a plural article with a plural noun.

Here's good news!

Beginning October 15 you can dial many Long Distance calls without dialing the Area Code

Starting October 15 there'll be no need to dial the Area Code when it's 618, the same as yours. Just dial the one-digit Long Distance code, then the telephone number you wish to call. You'll be dialing three fewer digits than before, making Long Distance calls easier and faster than ever.

If the Area Code of the distant city is different from 618, you'll need to dial the one-digit Long Distance code, the Area Code, then the telephone number.

See the front pages of your new telephone directory for complete dialing instructions.

And don't forget... All Number Calling telephone numbers are effective October 15, too. Telephone numbers change on that date from the two-letter, five-number form to seven numerals.

Sighting-In Days for Hunters on Weekend

Sighting-in days for all hunters in this area will be held Saturday and Sunday at the John N. Marshall Gun Club grounds, located on Granite City Steel Co. property east of Highway 182 and the railroad tracks.

The club range will be open from 10 a.m. to 4 p.m., and members of the club will be present all day each day to assist the hunters in properly sighting-in their rifles and shotguns.

The club is offering the opportunity as a public service to hunters in this area, as part of a nationwide program of the National Rifle Association. Hundreds of NRA-affiliate clubs throughout the country are taking part in a program to correctly sight-in rifles and shotguns. It is regarded as an important step to safety and accuracy in shooting, increasing the chance of clean kills. Robert Carroll, chief range officer of the club, reports:

Familiarization, firing and knowledge of the point of impact add to enjoyment and safety in hunting. He adds: Detailed information on sighting-in and firing points will be available at the range. Hunters are being requested to have all firearms unloaded and actions open when entering the range area. NRA membership will be available at the range. To help defray expenses, a fee of 25 cents will be charged for each target.

MHS Runners Triumph

The MHS cross-country team ended its dual meet schedule with a 5-1 mark by winning 23-32 at Dupu Monday, Bruce Davis was second, 10:16; Oscar Hampton, third, 10:20; Alanzo Watts, fourth, 10:43; Henry Dobbin, sixth, 10:47; and Wilbur Glasper, seventh, 10:48. The Midwestern Conference meet will be held at 4:30 p.m. Tuesday at Dupu.

Park Baseball Meet

A meeting of managers, coaches and others wishing to enter teams in the Granite City park district basketball program this fall will be held at the park office at 7:30 p.m. Monday. League involved are the Classic, Church, Men's and High School Boys.

Warrior Sophs Win

GCHS grid sophomores defeated Alton 14-0 here Monday for their fourth win in four games. Running back the kick-off to the Alton 30, GCHS scored in four plays on a four-yard run by Jim Greenwood. Rick Lesco had an eighty-yard TD run in the second quarter.

Senior Citizens Win

Twelve teams of the Granite City Senior Citizens Bowling League won 28 of 29 games from 12 Belleville senior citizens teams at Tri-Mor Bowl Monday. Joan Mitchell bowled a 188 game, R. D. Webb a 171 game and Al Michel a 468 series.

Kluge, Wade Honored

H. A. Kluge, Collinsville, retired Madison county highway superintendent, and E. J. Wade, 2519 Madison avenue, retired assistant superintendent, were honored Tuesday night at the Round Table, Collinsville, at a dinner of county chapters of the Illinois Society of Professional Engineers. Thirty attended. William Dart, ISPE executive director, spoke and the two were presented lifetime memberships.

VA Raises Age Limit For Education Benefit

Maximum age limit for children of certain veterans to receive Veterans Administration educational assistance under the War Orphans Educational Assistance program is now 23 to 24.

They may receive grants from the VA of up to \$130 a month for 36 months of approved, full-time college or vocational training. Lesser grants are paid for part-time training. Marriage does not bar children from benefits.

Eligible are sons and daughters of veterans who died or were permanently and totally disabled as the result of service-connected injury or illness.

Vovras Tour Europe

William Vovras, hardware department manager at Friedman's, Fifth street and Madison avenue, and his wife, Angela, returned here this week after a two-week sightseeing tour that included Rome, Italy, and Malaga, Spain. Sponsored by the Pedders firm, the trip recognized a large volume of air-conditioner sales.

No position will be abolished, due to automation, without six months prior notice. In such cases, the individual could "bump" someone with less seniority, provided that the seniority qualifications of the person to be laid off are met.

The agreement was worked out by Local 98 assisted by the Tri-City Trades & Labor Council and by the administrative staff aided by President Monroe Worthen, Treasurer George Moore and Member Arthur Metcalf of the school board.

In separate action, the board added \$125 this year and another \$125 next year to the previously scheduled pay of two secretaries regarded as administrative personnel. They are paid at an annual rate rather than hourly.

Seamon John Ambury Returns to Newport, R. I.

Seaman Apprentice John L. Ambury, USN, son of the Rev. and Mrs. John H. Ambury of French Creek, Mo., has returned to Newport, R.I., after a four-month deployment to the Mediterranean aboard the destroyer USS Davis.

As a component of the U.S. Sixth Fleet the Davis participated in anti-submarine and anti-aircraft exercises. The destroyer was also called upon to respond to the USS Liberty which had been straddled and torpedoed off the coast of Egypt.

Parts of call were made at South Bay, Crote; Valetta, Malta; Golef Juan on the French Riviera; between Cannes and Nice; and Ibiza and Palma de Mallorca, Spain.

Grand Officers Visit Local Bethel of Job's Daughters

Approximately 90 members and guests were present Tuesday evening at the Masonic Temple for an official visit to Bethel 43, International Order of Job's Daughters of Illinois.

Mrs. Elaine J. Strum, grand guardian, and William L. Wagner, associate guardian, and members of their official family.

Prior to their introduction several honored queens and past honored queens were escorted to the East, introduced and accorded honors. They were Miss Pat Bannister, Bethel 42, Collinsville; Miss Charlene Britt, Bethel 85, Columbia; Miss Suzi Rose, Bethel 88, Wood River; Miss Martha Cress and Miss Alta Cress, Bethel 72, Edwardsville; and Mrs. Pansy Love, Bethel 43. Mrs. Strum and Mr. Wagner were escorted and introduced by Miss Martha Love, honored queen, and Miss Debbie Martin, fourth messenger of Bethel 43 and Grand Representative to Australia in Illinois, and invited to sit in the East.

The other grand officers were then escorted and introduced by Mrs. Strum, including Mrs. Helen Bryan, vice grand guardian; Mrs. Mildred Halla, grand chaplain; Mrs. Marjorie Sanger, grand librarian; Mrs. Justine Swink, grand second messenger; Mrs. Dorothy Appel, grand third messenger; Mrs. Betty Jane Maki, grand director of music, and Harold Salins, grand junior custodian.

Others escorted were Louis Modler of Bethel 55, Alton, past associate grand guardian; Mrs. Norma Mohler, guardian of Bethel 85; Mrs. Florine Burks, Bethel 65, Columbia; Mrs. Mary Luster, Bethel 48, Wood River; Mrs. Nell Baskette, Bethel 43; and Charles Rose, associate guardian, Bethel 88, Wood River; and Dr. E. H. Theis, Bethel 43.

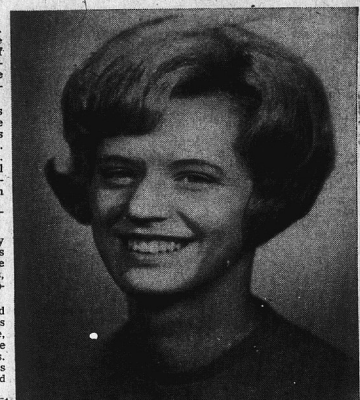

The librarians' report was on "Smiles," and a proficiency test in Bethel secret work was given five new members. The birthdays of two members, Judy Goss and Cynthia Todroff, were celebrated. Refreshments were served by the Mothers Club at tables decorated in yellow and white, and cakes decorated in the same colors honoring Mrs. Strum, Mr. Wagner and Miss Martin, centered the head table.

State Officer Visits

A special guest, Mrs. O. E. Barbour of Peoria, Ill., state corresponding secretary of P.E.O., was entertained Monday by Chapter 111 in the home of Mrs. Elmer Baker, 2617 Delmar avenue.

A one o'clock luncheon was served to 15 members and the guest, and a regular business session was conducted by Mrs. Harold Fischer, president. Plans were made for several members to attend a reciprocity meeting in Carleton on Oct. 19.

Refreshments were served by the Mothers Club at tables decorated in yellow and white, and cakes decorated in the same colors honoring Mrs. Strum, Mr. Wagner and Miss Martin, centered the head table.

ENGAGED, Miss Sharon Sue Luebbert, whose parents, Mr. and Mrs. Fred Luebbert, 1504 Joy avenue, are announcing her betrothal to William D. Cox, a son of Mr. and Mrs. Carl Cox, 2504 West 20th street. Wedding plans have not been made.

25th Anniversary To Be Observed

The silver wedding anniversary of Mr. and Mrs. James Beckett will be celebrated over the weekend in connection with a meeting of the Ill-Mo Shasta Trailer Club to be held Friday until Sunday at Beaver Dam State Park.

HOME FROM HAWAII

Mr. and Mrs. Charles McMahan, 1800 Sken street, who spent the past ten weeks visiting Lt. Col. Charles McMahan and family at Hickman Air Force Base, Pearl Harbor, Hawaii, returned here by plane Sunday.

The McMahans visited with a grandson, Gary Tucker, and his family. They live near the base.

Airman Michael McMahan, son of Col. McMahan and stationed at George Air Force Base in California, spent time in Hawaii while the grandparents were there. A pineapple plantation, the U.S.S. Arizona memorial and other points of interest were viewed by the group.

OUTING IN MISSOURI

Mr. and Mrs. Charles Hendrickson accompanied the Cadette Girl Scout troop of which Mrs. Hendrickson is leader to Silver Dollar City, Mo., for the weekend. A camper vehicle was used by the Hendricksons for the trip, with Nancy Maxwell, Alicia Hendrickson, Debbie Lawrence, Jennifer Steel, Susan Grimes, Karen S. Sasyk, Kathy Werner, Brenda Broadway, Juanita Loecher and Mary Jones participating.

The group camped three miles from Silver Dollar City. The scouts viewed the making of candy, molasses, candles and soap, curing of meat and operation of a spinning wheel.

They visited a blacksmith, watched a tie racking contest and saw a carving of the Lord's Supper. Some of the girls went horseback riding and others went to Marvel Cave. They returned home late Sunday afternoon. Mrs. Hendrickson meets each week with the girls at Madison junior high school.

LYDIA SUNDAY SCHOOL CLASS PLANS HAYRIDE

Mrs. Colleen Evanoff was hostess to the Lydia Sunday school class of First Baptist Church in her home, No. 1 St. Paul drive, Monday evening. The monthly meeting opened with the class song, "Our Best," and class color, flower, aim, motto and Scripture in union. Mrs. Lucille Veach installed as officers for the class year Mrs. Ann Redman, president; Mrs. Sue Jones, vice-president; Mrs. Doris Hargrave, secretary-treasurer; Mrs. Doris Macklin, historian; Mrs. Marge Dillender, class teacher; and Mrs. Bonnie Bridges and Mrs. Daisy Burnett, group captains.

Plans were made for a hayride for the members and their husbands Oct. 28 at Glen Carbon. The Christmas dinner party is to be held at Salem, Mo., St. Louis, Dec. 18, when the husbands will be guests.

Other members taking part were Mrs. Treva Williams, Mrs. Mary Lassen, Mrs. Norma Eaves and Mrs. Janet Young.

PLAN MUSEUM VISITS

Junior Girl Scout Troop Three met Tuesday with Mrs. Bernadine Weidner, leader, and Laura Wilson, a Senior Scout. Each girl named one of the scout laws and told its meaning to her.

Plans were made to visit a Doll Museum in Elkhart and also to visit a boat museum near there.

Peggy Stagner read a report about her musical instrument. Patrols were assigned their duties for a Halloween party and troop birthday party Oct. 24.

The birthday song was sung for Laura Engle, Rebecca Boyer, Gloria Britt, Georgia Engle, Berna Barnhart and Pamela Thompson.

MRS. BUCHER HOSTESS

The October meeting of the Peppy club of the First United Presbyterian Church was held Tuesday evening in the home of Mrs. Elizabeth Bucher, 1027 Fourth street. Mrs. Clara Lux, president, presided over a short business meeting.

WILLIAM HOLLAND

Holland to Speak At District Scout Banquet Nov. 9

William Holland, executive supervisor of the Missouri-Illinois area for Southwestern Bell Telephone Co., will be guest speaker at the annual Uniwah (Quad-City) Boy Scout district dinner meeting here Thursday, Nov. 9.

Holland formerly served as manager of the Quad-City telephone office in the 1960s, and resided here at that time. He is the son of the late Joseph Holland, widely-known speaker and newspaper executive.

The announcement was made today by John Pekarik, activities chairman of the Uniwah district.

The dinner will be held at 6:30 p.m. Nov. 9 at St. John's United Church of Christ, 2001 N. Main St. Reservations will be accepted by District Executive Edwin Menke Jr. at the Boy Scout office in Granite City.

Thwaitt Death Inquest Scheduled for Friday

Deputy Coroner Alvin Cease will conduct an inquest at 7 p.m. tomorrow at the city hall in Granite City into the slaying of Terry J. Thwaitt, 17, of Granite City, who was shot to death in front of the Pull Motel tavern on Route 111 Oct. 1.

Scheduled to go on trial Monday for the shooting is Shelby Wallace, 29, of the Kirkpatrick Homes, who was indicted for the murder on Oct. 2 by the Madison county grand jury.

Program for Teachers

Marshall Dyer, 120 Central avenue, Mitchell, president of the Southwestern Area Conference of the American Federation of Teachers, today announced a revised program for the group's meeting tomorrow at East St. Louis high school. Speakers will be Illinois House Speaker Ralph T. Smith, Ed Coffee, Auto Workers Region Five director, David Seldon, assistant to the AFT president, Prof. Ackertund of SIU-SW and John Rourke, Illinois Federation of Teachers representative.

Railroad-School Tax Case Goes To U.S. Top Court

A new appeal in the four-year-old case over tax objections by 12 railroads has been filed in the U. S. Supreme Court by Burton Bernard, local lawyer, who said today it probably will be next spring before Madison county school districts will be decided if the nation's High Court will hear the case.

"The railroads have until the end of next January to review the presentation made to the Supreme Court," Bernard told the Press-Record.

The case involved \$1,500,000 in protested tax bills for 1967 to 1962, and the suit was initiated by 14 of the 15 school districts in the county. Only the Alton district is not participating.

In May 1966, the U. S. Supreme Court refused to hear the case on the grounds it lacked jurisdiction. The new move is based on Bernard's contention that a constitutional question is involved that has not been decided by the Illinois Supreme Court.

He said the case represents a violation of the 14th amendment which requires uniformity in property taxation just as it does the equal treatment of school facilities for all.

The Illinois Supreme Court in 1965 reversed a Madison county circuit court ruling that held the annual JFK champagne dinner and dance Sunday at the Venice-Madison American Legion hall.

Tickets are \$25 each and proceeds will go to the central committee, according to Walter "Buck" Simmons, of Venice, chairman of the committee.

Mrs. Huddleston, 47, Dies Today at Barnes

Mrs. Irene Emma Huddleston, 47, Rural Route Four, Edwardsville, a local resident for more than 30 years, died of a lengthy illness at 4 a.m. today at Barnes Hospital, St. Louis, where she was a patient three weeks.

Mrs. Huddleston was born in Charles County, Ark. She was a member of the Pentecost Church.

Survivors include her husband, Leo; a daughter, Mrs. Earl (Nina Lee) Sickbert of Venice; two brothers, James Parris of Venice and Wilburn Parris of Burnie, Mo.; and three sisters, Mrs. Frank (Hazel) Duncan of Granite City, Mrs. James (Marie) Files of Moxie, Ill., and Mrs. Harry (Minnie) Speck of St. Louis. Funeral arrangements are given in today's obituary column.

HOMECOMING QUEEN at Granite City high school, Dottie DeWitt, daughter of Mr. and Mrs. James P. DeWitt, 1536 Lindell blvd., being crowned by Miss Mary Berosky, an attendant in last year's ceremonies, during the coronation Wednesday night. William Harris served as escort. It followed the Oomecoming play, "Wizard of Oz," which is to be repeated Saturday night in the GCHS auditorium. A capacity crowd of about 850 persons attended last night's event.

Democrats to Hold \$25 Champagne Event Sunday

The Madison County Democratic Central Committee will hold its annual JFK champagne dinner and dance Sunday at the Venice-Madison American Legion hall.

Tickets are \$25 each and proceeds will go to the central committee, according to Walter "Buck" Simmons, of Venice, chairman of the committee.

Mrs. Bello, 73, Dies; Leaves Area Survivors

Mrs. Louisa Bello, 73, of 1109 Ralph Terrace, Richmond Heights, Mo., died unexpectedly at home at 8:15 a.m. yesterday following an apparent heart attack. She leaves several local relatives and friends.

A native of Italy, Mrs. Bello had resided in the St. Louis area for the past 54 years. She was a member of the Little Flower Catholic Church of St. Louis. Her husband, Dominic, died Oct. 17, 1960.

Surviving are one daughter, Mrs. Nicholas (Julia) Barberi of East St. Louis, formerly of Granite City; three sons, James A., Paul A. and Anthony E. Bello, all of St. Louis; seven grandchildren and five great-grandchildren. Funeral arrangements are given in today's obituary column.

Paog Road Improvement Planned at Bluffs

The Calhoun County Construction Co. of Springfield announced the low bid on a project to widen Paog road for a distance of 2.66 miles from Bluff road to the Edwardsville city limits along the north edge of the SIU-SW campus.

The \$1,208,000 bid is for four lanes from Edwardsville to the Illinois Terminal Railroad and two lanes for the remainder of the distance. Other bids totaled \$1,276,788 by Hoeffken Bros. of Belleville and \$1,265,000 by Keeley Bros., East St. Louis.

New Boundaries For Junior High Schools Adopted

New junior high school district boundaries effective with the start of classes in late August of 1968 were adopted by the Granite City school board Monday night.

The redistricting establishes the area to be served by Grigsby junior high school, currently under construction at Pontoon and Cargill roads. Territory served by the existing junior high schools, Coolidge, Prather and Central, was reduced.

The new zones were publicized following a September board meeting and only three calls were received, all merely seeking clarification, it was noted. No one was present Monday night to comment on the proposal.

Grigsby Athletic Fields
In other business, the board briefly discussed a tentative plan for physical education and athletic areas on the L-shaped Grigsby junior high campus.

The board also called for girls' softball and multi-purpose fields to be combined, and for a varsity football field running to west. The possibility of making it a north-side football field instead will be discussed further in conference with coaches of various sports.

Also discussed was a proposed revision of the duty outline for junior high principals and assistant principals. It was approved after minor revisions.

Assistant principals at the junior highs will continue to be responsible to the principals but will play a more direct role than previously in bus, lunch and attendance supervision and maintenance of discipline.

There is more than one assistant, they will divide the duties each year but handle all phases within a two-year period, as a means of gaining the broadest possible experience.

State, National Meetings
Plans were made for several board members and Supt. Bob Davis to attend the annual convention of the Illinois Association of School Boards Nov. 18-20 in Chicago.

Supt. Davis was authorized to attend the annual conference of the American Association of School Administrators Feb. 17-21 in Atlantic City, N.J.

Comptroller Victor Anderson and Dr. E. W. Walton, board secretary, will attend the annual meeting of the Association of School Business Officials Oct. 15-18 in Miami, Fla.

Social Workers, Teachers
The board hired as a social worker Mrs. Nancy Delmer Mathews, Wood River, who holds a Washington University master degree in social work. She will work with emotional and academic problems of pupils.

Charles Ehlers, 2704 N. Main St., a Logan grade school custodian, will retire effective Nov. 10.

Additions to the teaching staff are Norman Bruce Martin, East Alton, who is receiving a bachelor degree from SIU in December, Mitchell third grade teacher beginning in December, and Mrs. Mallie Ann Simson, 2124 Edison avenue, bachelor degree from Eastern Illinois University and one year of teaching experience. McKinley first grade teacher beginning Dec. 18.

Permission was given to Citizens for Clean Air to distribute pamphlets to pupils explaining how leaves can be used as fertilizer rather than being burned.

The board voted to have the national anthem announced over the loudspeaker system before being played at high school football games, and made plans to hear a recording on "talks to teenagers" during the Oct. 25 board meeting, to help determine whether copies should be bought for use at GCHS.

Shrine's 'Ozark Opry' Performances Sunday

The annual presentation of the "Ozark Opry" by the uniformed units of Alton Temple will be at 2 p.m. and again at 8 p.m. Sunday, Oct. 15, at the temple, 800 St. Louis avenue, East St. Louis. The price of tickets is \$1, and 2500 seats are available.

Long Range Plan To Attract New Industry Studied

Reports by the long range planning committee and the program committee of Illinois Metro East were presented at a luncheon meeting of its board of directors Tuesday at the Sunset Hill Holiday Inn. The reports included plans geared to attract various types of industry and are to be considered at a meeting of the full membership, to be called soon, before being adopted. Harold Fischer of Granite City is chairman of the long range committee, and B. E. Hamble heads the program committee. Chester L. Baker, president, named Arnold Cassens of Edwardsville to the board of directors to succeed Robert Coultas, who resigned. Two new members were approved—Glenn Kullend, executive director of COCA, and Robert Walters of Alton. Appointed to the nominating committee to present a slate of officers for next year are Ferd Goewert of Belleville, chairman; Lester Salem of Alton; Irwin Maurer of Collinsville; Norman Viner of East St. Louis; Arthur Boeker of Edwardsville and Carl Mathias of the Tri Cities. Named to the auditing committee were Joseph Sladek and Carroll Marchant of Wood River.

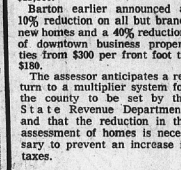

Citizens for Peace In Vietnam Organized

A number of persons who oppose the war in Vietnam have organized as the Citizens for Peace in Vietnam. Elected as chairman of the group is Patrick W. Riddleberger, a professor of history at the Southern Illinois University-Southwestern campus. Other officers are Herman Desai, vice-chairman; and Daniel Havens, secretary. The next meeting is scheduled for 7:30 p.m. Sunday at the Edwardsville Presbyterian Church, and Riddleberger hopes members from throughout the area will be attracted. Meetings are to be held in different communities. Riddleberger said the organization believes that the continuation and enlargement of the war have brought about a crisis, not only in foreign affairs, but in the capacity of America to cope effectively with growing internal problems. The group called for no further enlargement of the war, cessation of bombing of North Vietnam and plans to provide information about Vietnam by offering speakers and discussion leaders to groups requesting them, conducting opinion surveys, inviting candidates to discuss their views on national policies on the war and raise funds to support senators and congressmen who have challenged the Vietnam policy.

Tax Assessments In GC Twp. Total \$61 Million

Locally assessed property in Granite City for 1967 totals \$161,332,960, an increase of \$1,807,865, though reductions were made on most homes and downtown businesses, James Barton, tax assessor, announced today. State assessments of railroads and capital stock should increase the total to \$164 million to \$165 million, he said. The locally assessed valuation are subject to change by the Madison county board of review, and Barton expect a resultant increase of \$97,325 over last year. He noted a \$3 million increase on Granite City Steel Co. property. Real estate, including homes, was assessed at \$74,238,940, a decrease of \$2,777,210. Other cuts were made in furniture, \$2,686,170, down \$272; merchandise and goods, \$16,289,520, down \$85,670; fire and marine insurance, \$41,190, down \$24,255; and railroad property locally assessed, \$27,300, down \$3380. Increases were shown in autos \$14,498,000, up \$5,830,800; \$147,870 (11,832 cars last year); 947 trucks and trailers, \$817,000, up \$42,070 (830 trucks and trailers last year); office fixtures and furniture, \$739,260, up \$30,740. Machinery and equipment, \$37,404,330, up \$4,000,500; all other personal property, \$31,520, up \$8478; bank stock, \$2,055,000, up \$10,400; utilities, \$6,913,820, up \$226,970; and lands, \$14,228,430, up \$28,480. The assessment on capital stock remained the same at \$11,800. Barton earlier announced a 10% reduction on all but brand new homes and a 40% reduction of downtown business properties from \$300 per front foot to \$150. The assessor anticipates a return to a multiplier system for the county to be set by the State Revenue Department, and that the reduction in the assessment of homes is necessary to prevent an increase in taxes.

GC Man Robbed

Larry Hinson of Granite City, an attendant at a Highland service station, was robbed of more than \$50 by two men Monday night, he reported to the county sheriff's office. One of the men was armed. He said they pulled a gun on him after he filled the gasoline tank of their auto and added water to its radiator. They ordered him to wait in a back room and ripped a telephone from the wall.

Pot Roast Burns

Venice firemen were called at 11 a.m. Tuesday to the home of Algine Rose, 1203 Logan street, where a pot roast in the kitchen stove oven had caught fire, filling the house with smoke. The only damage was to the pot roast, firemen said.

Collinsville Man Dies At A. O. Smith Plant

David Lee Harrison, 38, a life-long Collinsville resident, died unexpectedly of an apparent heart attack early yesterday morning while preparing to begin work at A. O. Smith Corp. He was taken by ambulance to St. Elizabeth Hospital, where he was pronounced dead upon arrival at 7 a.m.

Mr. Harrison collapsed in the plant's washroom as he was about to start his electrician's job on the 7 a.m. shift. He was discovered about 9:30 a.m. lying on the floor by fellow employees. An inquest will be conducted by Deputy Coroner Alvin Cess.

Born in Collinsville, where he attended grade and high schools, Mr. Harrison had been employed by the local firm for the past 12 years. He was a member of the Electrical Workers Union, Local 309.

Surviving are his wife, Mrs. Neida Harrison, two sons, Larry Keith and David Lee Harrison Jr., both at home; his mother, Mrs. Laura Harrison of Collinsville; and one sister, Mrs. John R. (Dolores) Stephens, also of Collinsville.

Funeral services will be held Saturday at Collinsville.

Courthouse Closed

Most offices of the Madison county courthouse in Edwardsville were closed Wednesday because of cold weather as the furnace system is being changed from coal to gas. All of the offices were closed today in observance of Columbus Day, but they are to be open tomorrow, weather permitting.

MOORE ABOUT UF Drive

The \$34,000 goal; Public Services, Eugene Co. \$2408, or 13.4% of an \$18,000 goal.

William Hoelscher, chairman of the Residential Division, said a \$2500 goal, said his section leaders are ready to start. Mrs. Ida Hanfelder is again assisting in the rural area, and the Fraternal Society of Retired Men, headed by John Zabel, will handle the house-to-house solicitation.

Initial reports are pending for the Madison division headed by Mayor Stephen Maersa and the Venice division headed by Mayor John E. Lee. The Madison quota is \$6000, and Venice, \$2500.

Wednesday's dutch-treat luncheon was attended by more than 50 campaign leaders and volunteer workers. Rev. R. Paul Sims of the Nidringhaus Memorial Methodist Church gave the invocation and benediction.

Mother of GC Resident Dies in Oklahoma

Mrs. Elizabeth (Roy) Carl, 90, of Chickasha, Okla., the mother of a local resident, died of pneumonia at 5:45 p.m. Tuesday at a Chickasha hospital. She had been ill three weeks and was hospitalized the same length of time.

Born in Georgia, Mrs. Carl had resided in Chickasha for more than 50 years. She was a member of the Epworth Methodist Church in that community.

Surviving is one daughter, Mrs. Vasil (Raymona) Fryntko, 2557 Edison avenue. Funeral services were held today in Chickasha. Details are given elsewhere in this issue.

Methodist Sing Day To Be Held Sunday

The combined choirs of Nidringhaus Memorial Methodist Church will present a hymn service Sunday at 8:30 and 10:40 a.m. This is an annual observance designated as "A Great Day of Methodist Singing." The theme for 1967 is "The Good News We Sing" and features choral work as well as congregational singing. Scripture lessons and other narrative readings are interspersed between the various hymns.

The Youth and Chancel Choirs, under the direction of Warren G. Simpkins, will sing in both services. The Chancel Choir, under the direction of Mrs. R. Paul Sims, will sing the Offertory Anthem in the 10:40 worship service.

Soloists will include Dr. Earl Miller Jr. and Mrs. James Loy. The narration will be shared by the ministers, Rev. R. Paul Sims, and Rev. Dean Blackburn.

The program is sponsored by the National Fellowship of Methodist Musicians and is widely used throughout the Methodist Church. This is the fourth year the service has been used at Nidringhaus Church.

In the evening worship hour at 7:30, Rev. Sims' sermon theme will be "What Shall We Do?"

CYP ELETS OFFICERS

Dave Daniels opened a weekly meeting of the Youth Fellowship of Central Christian Church discussed for a hayride Oct. 28 at Middlegate Stables in Glen Carbon, with a party afterward at Mary McCarty's home.

Election of new officers was held, with Terry Hulse named president, Mary Beth Gordon vice-president, Rosie Hahn secretary, Shirley McCarty treasurer, chairman, Daniels refreshments and Barb Kennerly, study chairman.

The study was presented by Shirley Brokaw on "Dating," with five aspects for discussion — what is dating? how old should a person be to date? going steady, marriage in high school, and blind dates.

The worship was given by Daniels and refreshments were served. Those present included Marie Taylor and Linda Beane.

School's Oct Friday

Public school students who have a holiday today for observance of Columbus Day also will be off tomorrow when teachers will attend sessions of Federation meetings in East St. Louis and the Education Association in Wood River.

The next meeting will be Oct. 22.

CHOIR CHURCH DINNER

The Church Choir of St. John's United Church of Christ was host to a family pot luck dinner Sunday evening in Fellowship Hall of the church.

A fall theme was used in the table appointments and a centerpiece of assorted gourds and Indian corn graced the buffet table. Similar arrangements were placed on each of the dining tables.

Musical entertainment was provided by Maureen Tolan, Jan Surbey, Steve Stues, Carol Robertson, Rich Sille and Bette Baker, who presented some of their own original compositions.

Others present were Mrs. Kathleen Thompson, church organist and choir director; her husband, James Thompson; her son, Dean, and Mrs. Angelo Hamilton and daughters, Nancy and Janice, Mr. and Mrs. Jack Tolan and children, John and Mary Ellen, Mr. and Mrs. Elmer Stille, Mrs. Faith Malone and daughter, Molly, Mr. and Mrs. Victor Koenig, the Rev. and Mrs. Emmett Carragher and Mr. and Mrs. Martin J. Schrader and children, Harold and Eric.

The choir will practice each Wednesday at 7:30 p.m. at the church.

HOMEMAKERS UNIT MAKES DITTY BAGS

Clean Air

the answers before Monday," Partney added.

The questions he asked follow:

"What is the position the state takes in enforcement in municipalities?"

"How does a municipality receive state exemption?"

"How much has the state budgeted for air pollution?"

"Since the state code does not cover hydrogen sulphide, how would this be enforced in our municipality?"

"Did the state receive any federal aid for air pollution?"

"Does the state code meet federal standards?"

"If the city had no code or no commission, would the state see that we had the proper enforcement?"

Other Codes Pending

The mayor also pointed out to Kliesen—"At the present time, the city is working on an air pollution control code that will include municipalities. The East-West Gateways Coordinating Council has recommended an abatement program for the St. Louis Metropolitan area which would take our city. I have a decision to make, and I would appreciate an answer to the above questions as soon as possible."

To aid him in reaching a decision, the mayor has received from City Board Chairman Bielecki a requested 4 1/2-page review of the changes made in the city clean air law.

Bielecki said that the board had decided "to incorporate standards as close to the Interstate Study model ordinance as possible, but no less stringent than the Illinois rules and regulations, and that he asked Prof. Hoelscher to review city and interstate model ordinance rules and to review the original ordinance "to see if it could be updated without complex or drastic changes."

"My recommendations, based on Prof. Hoelscher's study and that he asked for a restriction on sulphur compounds which I took from the Interstate Study model ordinance."

Hydrogen sulphide has been considered the cause of paint discoloration in the East Granites area and this restriction was therefore needed," Bielecki reported, adding that the date was given to the chairman of the city council committee on air pollution and the city attorney for consideration and study.

The chairman added that the city's July 3 code was more specific in telling industry what had to be done to clear the air than the state regulations which require a presentation of plans by April 1968 "with no definite time schedule as to when even a special, lenient state standards will be met."

Bielecki pointed out that since industries "are substantially in compliance with the state code already, the residents of our community cannot look forward to much improvement under the new local regulations, the special, lenient standards are dropped and plans will be required by the city board by April 1968 for making significant reductions in air pollution, unless technology or economic factors make such improvements unreasonable."

Report on Local Firms

In a report to the city clean air committee, the technical secretary reviewed local firms' operations to determine whether there was compliance to the July 3 law and the state code.

American Steel Foundries, Prof. Hoelscher reported, must reduce open hearth emissions to comply with both standards; while General Steel Industries open hearth now complies with both standards.

At Granite City Steel, the hot fines system of the sinter plant and the two blast furnaces are in compliance, but the main system of the sinter plant would have to reduce emissions to comply with both standards, and the basic oxygen furnace would need further reduction to comply with the city's July 3 code.

Coke ovens at the blast furnace plant comply with the state rules, Prof. Hoelscher said, but do not comply with the city rules due to the lack of technology.

At Union Star and Refining Co. the gluten meal dryer and feed dryer comply with both standards, while the gluten meal transport would need to reduce emissions to comply with the city's July 3 code.

Hit-and-Run Accident

A hit-and-run car struck and damaged a fence, power pole and tree at the home of Howard Simpson, 2815 Iowa street, at 6:45 a.m. Tuesday.

Madison Soldier Pulls Extra Duty in Vietnam

From six in the morning until late at night, seven days a week, Spec. 5 Mike Konuch is a parts specialist with the 1st Battalion, 7th Cavalry, 1st Air Cavalry Division stationed at An Khe, Vietnam.

But that hasn't been enough for the Madison native. Since his battalion was assigned to the defense of the 1st Cavalry's An Khe base camp, Konuch has been helping protect the base by flying on "night hunter" helicopter missions.

The night hunter mission looks for enemy soldiers trying to use the cover of night to maneuver near the base camp. One ship equipped with infrared scopes looks over suspicious areas.

Two aerial rocket artillery ships are close behind to provide support, and a high-flying helicopter loaded with flares is ready to light up an area to help identify targets.

Konuch is one of the infrared scopes in the lead ship. Why? "It relieves a lot of the tension that builds up during the day. Besides, I like to fly," he explained.

Then there is a special reason. He signed up for these scopes, he noted. "They cost a great deal of money. So I'm going where they go."

On one night, Konuch's helicopter was fired on by enemy soldiers after the infrared scopes picked up a group of men sitting around a campfire on the southwestern campus.

The aerial rocket artillery ships fired their rockets, and Konuch and the others on the lead ship shot down with M-16 rifles and M-60 machine guns.

Since then, the V.C. have been noticeably more reluctant to fire on the night hunter ships. But Konuch and his colleagues continue to do their job, helping to deny the Viet Cong their night-time sanctuary.

Konuch, a halfback on the Madison high school football team in 1964, is the son of Mr. and Mrs. Stephen Konuch, 852 Alton avenue. He attended Southern Illinois University in Carbondale.

Vietnam Airlift Announced
Early Mailing of Overseas Yule Packages being Urged

Christmas packages headed overseas to servicemen or civilians via surface transportation should be mailed within the next four weeks, Granite City Postmaster Theodore Overbeck reminded local residents today.

If packages are to be sent on a "space available basis" to military personnel, the deadline is extended to Dec. 1, while parcels sent via air mail rates can be posted up to Dec. 11, he said.

The postal official noted that special attention will again be placed on delivery of mail to servicemen in Vietnam and the surrounding area.

For the third year, gift parcels weighing not more than five pounds and measuring not more than 48 inches in length and girth combined, addressed to members of the Armed Forces in Vietnam, will be provided airtail service on a space-available basis from west coast, re-mailing areas to Vietnam even though the packages are prepaid at surface rates.

"If people mail early, the expected record-breaking volume of well over nine billion pieces of mail to be delivered during the holiday season will arrive at its destination on time and without a serious hitch," Overbeck said.

Postmaster Overbeck noted that despite the best efforts of the postal services many parcels do not reach their destination because they are wrapped poorly or incorrectly, or illegibly addressed.

To prevent this, postal officials remind those preparing packages for servicemen overseas to wrap all parcels securely, address packages correctly and legibly, using the appropriate five-digit APO or FPO number as part of the address.

"Place a duplicate label which plainly shows both the addressee's address and the return address of the sender inside the package," Overbeck recommended.

Authorities caution that mail intended for an unspecified addressee will not be accepted. Mail for servicemen must be addressed to a named individual or to a specific military unit.

Post office officials also offer the following suggestions in wrapping all parcels for overseas:

Gifts should be packed in boxes of wood, metal, solid fiberboard or strong double-faced corrugated fiberboard. All fiberboard boxes should be securely strapped with heavy paper, to strengthen the package.

Each box should be well tied with strong cord. Sufficient cushioning material should be used to prevent any rattling or loosening of articles. Unless tightly filled, boxes are likely to be crushed.

A slip showing the list of contents and the name and address of sender and addressee must be enclosed in the parcel. Forms 2969 or 2978-A, Customs Declaration, completed by the sender, are required on parcels to many destinations.

In addition to the articles normally prohibited in the mail, matches, all kinds of lighter fluid may not be mailed to overseas military addresses, and there are restrictions on sending cigarettes, tobacco and other items in parcels destined for military personnel in some European countries. Information on restricted items may be obtained at the local post office.

Overbeck said that parcels sent to military addresses, and there are restrictions on sending cigarettes, tobacco and other items in parcels destined for military personnel in some European countries. Information on restricted items may be obtained at the local post office.

EOC Legal Services Seminar Next Wednesday at SIU-SW

Maurice S. Harris, director of the Madison County Economic Opportunity Commission, today announced participating speakers for a Legal Services Seminar, next Wednesday in the Communications Building at Southern Illinois University-Southwestern campus.

"We believe," Harris said, "this is an outstanding group of lawyers." Among those to present the program are Justices from St. Louis and Madison county, a state's attorney, a public defender, and representatives of the Regional Office of Economic Opportunity and St. Louis University School of Law.

The EOC director expressed a hope that the public, especially ministers and others who work in the "helping" professions, as well as lay people, will participate in the conference.

"I know that we have a good program format and I have every confidence that our speakers will have a great deal of information that will be of interest to us all," Harris commented.

Reservations may be made by calling the Madison County EOC office at 659-8240, or sending a check for \$2.50 to "Legal Services Conference," c/o Madison County EOC, 1424 North Main street, Edwardsville.

Conference agenda, including topics and speakers, follows:

Registration—9 to 9:30 a.m., followed by welcoming remarks by Chief Circuit Judge James O. Monroe Jr.

"Why Lawyers Fight Poverty"—How Lawyers Service Justice for the Indigent," William McClaskey, regional office EOC, will speak at 10:30 a.m. "The Law—is It Biased Against the Indigent," Charles Blackmar, St. Louis University School of Law, 10:30 to 10:55 a.m.

"The Indigent as Tenant—Their Problems and Remedies," Atty. Curtis Crawford, former director of the Legal Services program, Human Development Corp., St. Louis, 10:55 to 11:30 a.m. Question period, 11:30 to 11:50 a.m., followed with a stretch break until 12:30 p.m. The afternoon session will resume at 1:30 p.m. with the top

three persons were injured in a three-car accident at 1:45 a.m. today on Route 3 a half mile north of Interstate 270 as autos driven by Arnold Clifton Melton, 34, of Alton, Garland J. Bartels, 35, of Hartford, and Alfred W. Brown of Alton collided.

Melton and Bartels were taken to St. Elizabeth Hospital, and Max W. LaCox, 32, of East Alton, a passenger in the Brown auto, was taken to Wood River Township Hospital.

Betty Uhis, 18, of 2249 Grand avenue, complained of pains after the rear of her auto was struck by another driven by Stanley Krommyr Jr., 2810 Sunset drive, at 11:50 a.m. Tuesday at 3000 Madison avenue. She was stopped in traffic to make a left turn onto the Red Barn lot. Krommyr was charged with careless driving.

Alton Davis Jr., 17, of 1022a Logan street, was injured Monday night when the auto he was driving north on Elm street jumped the curb as he was making a turn onto Circle street. A brick wall at Apt. 145 of Lee Wright Homes.

Davis was given emergency treatment at the hospital for facial cuts, and was released. No charges were placed against him. Police said the car traveled about 100 feet after jumping the curb. Shrubbery was uprooted, several bricks were knocked loose and a water pipe at the housing project was damaged.

REVIEWING EXPANSION PLANS for St. Elizabeth's new wing are members of the staff and the planners. Left to right—Howard Dushane, consulting engineer; Jerry Reichle, administrative assistant; David Hopper, superintendent of buildings and grounds; Sister M. Thomas, administrator; Joseph Standish, architect, and John Holbrook, engineer from the consultant's office.

Mr. and Mrs. Charles Schneider and daughters, Susan and Lori, of Chicago were houseguests during the weekend of Mr. and Mrs. Gerald Mayberry, 3239 Erin drive. While here they enjoyed seeing the World Series and also the Villed Prophet parade in St. Louis.

The Schneiders returned to Chicago Sunday. He and Mayberry were stationed in Germany together while in the Army in 1959.

NAOMI CIRCLE MEETS
AT MAYBERRY HOME

The home of Mrs. Shirley Mayberry, 3239 Erin drive, was the place of meeting Tuesday evening for the Naomi circle of Second Baptist Church.

"Different Ways of Worship in Baptist Churches of Hong Kong and Germany" was the theme of the lesson by Mrs. Mrs. Lewis, with Mesdames Eleanor Cook, Nadine Frith and Shirley Mayberry assisting. Mrs. Betty Grote led in reading of "O Worship the King." Mrs. Lewis gave closing prayer.

A dessert luncheon was served. Others present were Mesdames Carole Canady, Ann Jameson, Nadine Frith and Ar-

river in the former's home, 4101 Alton road.

The honoree is the former Miss Joan Stovach.

Decorations for the party were carried out in pink and blue, using a large star as the table centerpiece, with lighted blue candles on each side. The tablecloth and napkins were inscribed with pictures of storks, and individual favors were miniature storks.

A buffet luncheon was served following games, for which several prizes were awarded.

Guests were Mesdames Arthur Stovach of Kirkwood, Mo., Jerome Hoedebeck of Troy and daughters, Judy, Susie and Carol, Paul Umberhine and daughter, Karen, of Kirkwood, Mo., Jean Weaver, Alton, Jo Wombacher of St. Louis and daughter, Kathy, Mesdames Ralph William Rotter, James Coffee, Ollie Stegelmeier, Ralph Stegelmeier, Lawrence Stegelmeier, David Rousseau, Lowell Ferguson, Hebert Palsgrove, Vince Brinkman, John King, Joseph DeRuntz and Louise Tourse and Miss Virginia Judd.

MELODY HARRINGTON

HOME FROM HOSPITAL

Melody Harrington, 16, daughter of Mr. and Mrs. Jerry Harrington, 3248 Edgewood avenue, is recuperating at her home after undergoing major surgery at St. Elizabeth Hospital. She is a fifth grade student at Parkview school and will resume her studies there Monday.

Jene Smith and visitors, Barbara Scarsdale, Cheryl Jameson, Rene Mayberry and Gail Lewis.

ROBERT KEEB HONORED

AT BIRTHDAY DINNER

Mr. and Mrs. James Lon Keel, 2822 Logan avenue, entertained Tuesday evening with a dinner in honor of their son Robert for his 18th birthday. A 1967 graduate of Granite City high school, he has enlisted in the Navy and will leave this week for basic training at San Diego, Calif.

Guests included Mr. and Mrs. Erwin Stengel and son, Jonathan, Mr. and Mrs. Elbert Lipe and children, Michael and Connie, Mr. and Mrs. Ronald Perigan and son, Ronald, and Charles Perigan, all of Granite City, and Mr. and Mrs. Ronald Bailey and children, Laura and Keith, of Salem, Ill.

CHURCH CLASS MEETS

AT WILSON RESIDENCE

The Progressive class of Second Baptist Church met Monday evening in the home of Mrs. Edna Wilson, 2040 Missouri avenue. Mrs. Roberta Richardson opened the meeting with prayer. Mrs. Dana Watson gave the devotion.

Mrs. Louise Daniels was in charge of business, and new officers were elected. Others present were Mesdames Mina Duggins, Iva Biggs, Maude Beede, Winnie Tucker, Golda Smith, Tillie Naylor, Alay Richards, Rachel Westphal, Lena Bonnyar, Alene Reagan, Nana Burnett and Naomi Roney.

A dessert luncheon was served by the hostess.

The next meeting will be with Mrs. Dana Watson.

WEST GRANITE YOUTH

CENTER DISCUSSED

A meeting was held Tuesday evening at Washington school by local citizens in an attempt to establish a local youth center, in cooperation with Donna Hornberger, a representative of the Illinois Youth Commission.

The meeting was attended by nearly 60 parents and citizens, as well as members of the police department, park district, fire department and other officials. The program has the full approval of city officials.

Primary purpose was to determine the backing by the parents and public. All proposals were met with overwhelming enthusiasm.

The next meeting is to be held at 7:30 p.m., Oct. 23, at Washington school to lay groundwork for a youth center.

Auto-Truck Accident

Involved in a collision yesterday at Market street and Madison avenue were a truck operated west on Market by Phillip McVay of Franklin, Ohio, and an auto being driven out of a service station by Benton Overton, 1218 Robin street, Venice. There was damage to the left side of the auto.

Reformation Film To Be Shown Sunday

"A Time for Burning" will be shown here Sunday as part of the 450th Reformation anniversary film festival, with the showing to take place at 7 p.m. in Peace Lutheran Church, 2450 Stratford lane.

One of a series, the film is intended to help apply the Reformation and Gospel truth to the situations individuals may find themselves in. It was explained by Rev. Arvin Twittemeyer of Concordia Lutheran Church.

The film reports an actual happening in Omaha, Neb., to show the struggle for a church fellowship to define its ministry in the face of a racially charged situation.

BB's Shot in Window
BB holes were shot in the front plate glass window and in the front door of the Fornasewicz music store, 300 N. Main St., it was reported at 11:45 a.m. Tuesday.

Grants Received by School System, Bid Awards Voted

State Supt. Ray Page has recommended final approval of Granite City schools' application for a \$118,000 grant to continue operation of its "Title I" instructional program this year.

The Title I project, named Project Lift-Off, is headed by Mrs. Ruth Lahr, director, and has a staff totaling 16.

Included are counselors at Emerson and Washington schools; remedial reading teachers and nurses at Webster, Washington, Logan and Emerson; pre-school instructors at each of the four grade schools; and Mrs. Lahr and a secretary.

State approval also has been obtained for a \$31,200 grant to be used in conducting research in the instruction of gifted students during the 1967-68 year.

Control of the school board meeting Monday night that a request last year for Arts and Humanities Act Title III funds can be met for this year instead. A reimbursement of \$117 will be received for an expenditure of \$234 to complete a set of art prints for use in art appreciation and art history instruction.

The board approved a new agreement under which Attorney Burton C. Bernard will continue to seek reversal of a court ruling under which railroad tax objections were upheld.

He is to cooperate with and assist the Madison county state's attorney in seeking a review of April 20, 1966, Illinois Supreme Court judgments. An original appeal to the U.S. Supreme Court was unsuccessful and a second appeal on different grounds was filed this month.

Bernard is to receive 30% of any funds recovered from railroads by the school district as a result of the appeals.

Fire Safety Improvements
The board has received a report from the Madison county school building fire safety inspector approving all but five schools and recommending rear fence gates at McKinley and Washington, electrical improvements at Logan annex, repair of two doors at the high school, and installation of a fire door

between the boiler room and a storage area at Marshall school.

Cost estimates are being obtained on the gates, which would simplify fire department access to the two buildings. The door repairs are being made and bids currently are being sought on electrical work at Logan annex and other buildings.

The Marshall fire door was previously listed on Life Safety Code work to be carried out in 1967-70.

New School Bell System
Preliminary approval was given to discontinuing programmed systems of classroom clocks and bells in new school buildings. Instead, electric clocks are to be installed in each room, with a single master clock in the principal's office to ring the bells.

Hester Re-Elected Head of Tavern Group

Charles Hester of the Luna cafe was re-elected president of the Madison County Tavern Owners Association Tuesday night at a dinner meeting at the Rose Bowl restaurant.

Elected vice-presidents and trustees were Glen Schneider of the Wayville tavern, Granite City chairman; Edward Sprinkel of Am & Eddie's tavern, Madison chairman; Mary Wilkinson, Mary's lounge, county chairman; and Walter Ramsey, Grandstand lounge, Alton chairman.

Other officers elected were Edw. Groines, Ingleside tavern treasurer; Caroline Hudegens, Bob's tavern, secretary; Gene Frith, Hide-Away lounge, sergeant-at-arms; and Robert Hudegens and Leroy McVey, public relations.

Hester reported on the state convention of the Illinois Retail Licensed Beverage Association held last month in Moline.

Hudegens, local membership chairman, won second prize in a state-wide membership contest. Steve Ruff of Chicago, state president for seven years who is locally known, retired and was succeeded by Bert Nickerson of East Moline.

Accompanying Hester to the

Aux. Police to Hear Patrolman LeMaster

Granite City Patrolman Alan LeMaster will instruct auxiliary police officers at 7 p.m. Tuesday in the Granite City civil defense building, basing his talk on "Human Relations."

The session is part of Section Two of a 12-week "Law and Order" course.

This week, Auxiliary Police Sgt. George Durbin instructed the class in "Firearms-Care, Maintenance and Familiarization."

The Secret Pal club of the Word of Life Tabernacle, 12th and Meridian streets, held a monthly meeting Tuesday morning in the church basement.

The meeting opened with prayer. Bible games were played and prizes went to Mrs. Bobbie Crippen and Mrs. Janice Cloninger. An anniversary gift was presented to Mrs. Melba Anderson and a birthday gift to Rev. Belle Kopsie from their secret pals.

Lunch was served and the invocation was given by Mrs. Melba Anderson. Those present included Dorothy Donohue and daughter, Vicki, Anita, Marty and Tammy Cloninger, Jean Keeling and son, Donald, Shirley Rainwater and visitors, Mary Spicer and children, Jeffrey and Georgia. The group will meet next on Nov. 14 at the church.

PTAs to Aid School District With Pre-Schooler Census

Local Parent-Teacher-Association members will assist Granite City school authorities to compile information on projected enrollment in local schools by canvassing residents throughout the community. Survey teams are expected to begin a door-to-door canvass within the next few weeks.

Mrs. Patricia Polley, president of the Granite City Area PTA Council, said today that assistance from the PTA organization was requested by School Supt. B. J. Davis. Representatives of the PTA council's 18-member units will meet at 7:30 p.m. Monday, Oct. 23, in the board of education office, 2014 State street, to hear details of the project.

Residents contacted in the survey will be asked to provide information on anticipated enrollment of all children in the household, from infants through school-age youngsters, Mrs. Polley explained.

Purpose of the canvass is to furnish school officials with information on anticipated enrollment to help determine future new school construction.

Miss Dierking, 46, vice-president of Wagner Seven-Up Bottling Co. of Madison, succumbed to a liver ailment at 4:40 p.m. Tuesday in DePaul Hospital, St. Louis. She had been ill since April and was admitted to the hospital ten days prior to her death.

A native St. Louisian, Miss Dierking resided at 2014 State road in Overland, Mo. On occasions, she had stayed with relatives in Granite City. She was a member of the Baumann Methodist Church of St. Louis.

Miss Dierking held the office of vice-president with the Madison firm for the past four years. She was a niece of the late Emily Wagner of Granite City, who died in 1963.

Among the survivors is a cousin, Mrs. Ruby Wagner of Granite City. Several cousins, residing in the St. Louis area, also survive.

Funeral arrangements are given in today's obituary column.

FAREWELL PARTY

A farewell party honoring Tammy Moore, who is leaving Saturday with her parents for Germany, was given Monday by two of her friends, Debra Hand and Debra Harvey, at the Harvey home, 3804 Lakeview drive. Tammy, nine years old, received farewell gifts. Games were played and prizes awarded. Decorations were in a Halloween theme. Refreshments were served to Susan Perigo, Barbara Harvey, Joyce Pitts, Joe Adams, John Hand, Edward Kennedy, Kathy Morris, Bonnie Brown, Mrs. Irene Harvey and Mrs. Bea Harvey.

Mr. and Mrs. Henry Baca, 4786 Highway 162, entertained Sunday with a spaghetti dinner. Present were Mr. and Mrs. Bill Dolcic and children, Sherry, Jamie and Bill, and, from St. Louis, Mr. and Mrs. Jerry Harrison.

Boy Scout Troop 23 met

Tuesday evening at the Long Lake firemen's recreation hall with Leonard Barron, leader, Ray Rodgers, co-leader, and Otto Kreher, committeeman, to make final plans for a campout Oct. 20-22. Plans also were made for a chicken fry Nov. 4. Present were Willie Arnold, Richard Bredon, Fred Biggs, Don Dummitt, Pete Fourcalt, John Harper, Steve and Dave Hutchings, Don James, Danny Kreher, Earl and Jeff Layman, Mark and Rudy Recer, Mike Rodgers, Larry Taylor, Roger Yakley, Timmy Bennett, Danny, Roger and Stanley Daigger, Ed Fancher, David Dayton and Rich Taylor.

Interact Boys Conduct GC Rotary Meeting

In observance of "Interact International Week," members of the Granite City Interact Club replaced Granite City Rotarians in conducting the adult group's weekly luncheon meeting Tuesday in the YMCA. The high-school-age youths carried out the agenda, presided over by Paul Sackett, Interact president, and presented a program.

Sackett introduced Dr. George Wilkins, who assisted Interact members arranged the program, which featured as guest speaker, Harry Gallatin, former coach of the St. Louis Hawks basketball team. Now assistant dean of men at Southern Illinois University, Gallatin described his experiences in professional basketball. He told the youths "gain as much education as you can. Play the game to its fullest at all times by always contributing your best efforts," he added.

Forty-two Granite City Rotarians attended the meeting and three guests, Fred Otterl of St. Louis, Alex Markuly of the Madison Rotary Club and Rev. W. W. Stevens, a Rock Island Rotarian. Fourteen Interact youths were present. The Granite City chapter was organized about three years ago.

Irwin Raut, 90 Died Recently in Springfield

Confirmation was received here this week by the Ralph Frohardt family of the recent death of Irwin Raut, 90, at Sedalia, Mo., in the Fairview Rest Home. He was secretary of the local YMCA at its beginning.

Mr. Raut moved to Sedalia in 1938. His wife, Florence, died in 1958. They had no children. Mr. Raut was a pioneer and a leader in religious, educational and social fields and his specialty was working with youth.

At the YMCA here, he conducted classes in English for American citizenship and was commended by the U.S. Department of Naturalization. He also organized a fully accredited high school in the former Commonwealth Steel Co. and was instrumental in the building of the local YMCA.

Upon his retirement as an Illinois YMCA staffer in 1938, he taught English in a boys school in Pueblo, Mex., in the 1940s. He was secretary of the Sedalia Boys Work Council and secretary of the Methodist committee on temperance. Mr. Raut was graduated with honors from the University of Missouri and received the Phi Beta Kappa key. He was educational secretary of the St. Louis YMCA before coming to Granite City.

A2/c Cooper Receives Promotion in Manila

Lee A. Cooper Jr., who is stationed with the U. S. Air Force at Manila in The Philippine Islands, was promoted to Airman Second Class, his parents, Mr. and Mrs. William C. Matthews, 2209 Edwards street, recently learned.

A June 1966 graduate of Granite City high school, Airman Cooper received basic instruction at Anarillo Air Force Base, Tex., and later successfully completed advance training as a telephone installation and repair specialist at an Air Force technical school.

He has been stationed in The Philippines for the past five months and is expected to remain there an additional 18 months.

The local serviceman observed his 20th birthday in Manila on Aug. 22 and, this year, will spend his first Christmas away from home, his mother reports. His name and address will appear in a subsequent edition of the Press-Record's "Yule Mail Call."

Long-Range Fund Raising Program For Local Hospital

St. Elizabeth Hospital's development program currently has pledges totaling \$25,815, it was reported this week by John P. Dreves, director of development.

The program was initiated at the close of the hospital's fund drive for expansion and modernization and is designed to raise additional funds needed to construct the new physical facilities at the hospital.

Dreves said that more than half of the total pledge was from industry and that individuals and industrial foundations have pledged about \$10,000.

The development program is being organized under the guidance of the hospital's Lay Advisory Board.

"Development programs, or long-range fund-raising," Dreves explained, "are more commonly associated with colleges or universities than with hospitals. However, hospitals have found that with rising wages, and therefore rising hospital costs coupled with government payment policies as set by Medicare, there remains little opportunity for room rates to provide money to pay for the needed hospital expansion."

"To meet the growing needs of the nation," Dreves said, "hospitals today have turned to development programs. St. Elizabeth Hospital's development program is being organized along the lines of many other hospitals across the nation."

Joseph Glik, president of the advisory group, added—
"The greater the degree of the long-range fund raising program, the less the hospital will be forced to borrow. Individual pledges, memorials, foundation grants and deferred giving plans include bequests, trusts and life insurance, all of which have tax advantages."

Depot Seeks Housing For Newly-Formed Unit

Col. Charles E. Hosten III, commanding officer, Granite City Army Depot announced today that the 608th Light Equipment Maintenance Company (GS) was activated last month at the Depot.

"The unit has been experiencing a steady troop build-up," the colonel said, adding, "With the increase of troops expected to continue, housing in the local area will become an important item because of insufficient housing at the Depot."

"Suitable military occupancy within a normal commuting distance is a must for the morale and efficiency of our soldiers," Col. Hosten stated. "Persons interested in listing housing with the Depot may contact the Depot Housing Officer by calling GLenview 2-7300, extension 612."

Weapon Charge Filed

Chester H. Stafford, 24, of 2821 Denver street, was arrested at 10:20 p.m. Monday at 2300 Missouri avenue on a charge of unlawful use of a weapon, a foreign-made .22 caliber automatic pistol. He was fined \$160 Tuesday in magistrate's court.

300 GM Scholarships To Be Made Available

General Motors recently announced the continuation of its scholarship plan by making available 300 scholarships to outstanding secondary school graduates for the fall of 1968 at more than 200 colleges and universities.

The awards will be made to entering freshmen and may be renewed throughout the normal four undergraduate years for those with satisfactory records. Stipends range from \$200 to \$2000 per year depending on demonstrated need. There is no restriction on course of study or career.

Interested students should see their principal or counselor for a complete listing of the participating colleges, then apply directly to the institutions of their choice. No GM application is necessary.

Methodist Youth Day Set at Wesleyan U.

The 10th annual Methodist Youth Day at Illinois Wesleyan University Oct. 28 is expected to draw 300 high school age youths and their church leaders. Nearly 1400 group reservation cards were mailed this week to ministers and church youth leaders of the Methodist and Evangelical United Brethren churches throughout Illinois. The two denominations are merging. The day-long program is aimed at giving high school students an inside view of college life.

Teacher Exams to be Given College Seniors

College seniors preparing to teach school may take the National Teacher Examinations at Southern Illinois University-Southwestern campus on any of three different test dates announced today by Educational Testing Service, a non-profit educational organization which prepares and administers the testing program.

New dates for the testing of prospective teachers are Feb. 3, April 6 and July 6, 1968. The tests will be given at nearly 300 locations throughout the United States, ETS said.

Results of the National Teacher Examinations are used by many large school districts as one of several factors in the selection of new teachers and by several states for certification or licensing of teachers. Some colleges also require all seniors preparing to teach to take the examinations.

Leaflets indicating school systems and state departments of education which use the examination results are distributed to colleges by ETS.

Pianist to Be Featured in Homecoming Concert

Guest soloist for the Homecoming concert to be presented by the music department at Southern Illinois University Oct. 28 will be pianist Anthony di Bonaventura, according to Herbert Levinson, conductor of the Southern Illinois Symphony at Carbondale.

The guest artist will be featured in the Rachmaninoff "Rhapsody on a Theme by Paganini." The orchestra, composed of area musicians as well as SIU faculty and students, will perform Weber's "Overture to Oberon," Stravinsky's "Four Norwegian Moods" and the finale of Sibelius' Symphony No. 2.

Classical Guitarist Named to SIU Staff Ramon Ybarra, a classical guitarist, will be an artist-in-residence during the winter quarter at Eastern Illinois University. It was announced today by the school of music.

Ybarra was born in Cuba in 1930. When he was four years old, he began to study music and the guitar under the guidance of Isaac Nicola. In 1940, he was presented by the Pyo Arte Musical Society in Havana. Ybarra made his first American tour in 1947 after a series of Latin American tours.

New Masters Program Approved for ISU

The Illinois Board of Higher Education has given its approval to the first multidisciplinary graduate program at Illinois State University, Normal, a master of arts major in Western European studies.

The program, designed for students interested in careers in business, industry, or government and involving service in Western Europe, will embrace the departments of Economics, Foreign Languages, Geography, History and Political Science.

Planned to be placed into effect next June, the program is the only one in Western European Studies to be available in Illinois.

Graduates will be prepared to take positions with various governmental agencies overseas, or to work with business, industry or agricultural organizations in their European operations.

Chicken Dinner Set At St. Elizabeth's

A fried chicken dinner will be held from 12:30 to 6 p.m. Sunday at St. Elizabeth's Catholic Church, Pontoon and Johnson roads. The public is invited.

Donors will be \$1.35 for adults and 50 cents for children. Carry-out service will be available.

Kathleen Judy, general chairman of the event, said all proceeds will be used to support the parish youth program.

College Day on Campus At ISU Being Dropped

The traditional "College Day on Campus" program for high school seniors to visit Illinois State University on Nov. 11 each year is being terminated, according to an announcement today by Richard M. Swank, associate director of admissions for undergraduates.

Swank said the reasoning behind the decision is that students are making their decisions about college earlier and that the program is not now meeting the objective for which it was originally planned.

Three Pledge Frats At Westminster College

Three Granite City students have pledged social fraternities at Westminster College, Fulton, Mo., following rush week at the men's liberal arts college.

They are Steven Fastick, son of Mr. and Mrs. Ralph Fastick, 2105 Cottage Avenue, Kappa Alpha; Jim Peters, son of Mr. and Mrs. Carl D. Peters, 3001 Felling Road, Kappa Alpha; and James Stuart, son of Mr. and Mrs. James Stuart, 2285 Cleveland Blvd., Sigma Alpha Epsilon.

Parking your car on a hill requires just as much forethought as safe driving. For safety's sake, the Auto Club's Illinois Division suggests these basic rules for parking on hills. To park on a downgrade, turn the front wheels sharply toward the curb. On an upgrade, turn the front wheels sharply away from the curb. And always apply the parking brake.

Slavic Film Festival To Open at SIU-SW

Seven attractions are included in Slavic Film Festival-II to be presented at Southern Illinois University's Southwestern campus during the 1967-68 school year.

The series, inaugurated last year, is open to the public without charge. There will be two showings of each film, at 12:30 in the River Rooms of the University Center and at 7:30 p.m. in the Loveloy auditorium. All films will be shown in the original language with English subtitles.

The first film was made in Czechoslovakia. Entitled "The Shop on Main Street," it can be seen next Thursday. Made in 1965, the 128-minute film is a tragic-comedy in Slovakia during World War II and won the U. S. Academy Award.

A Polish comedy by a Krakow Sennet and the Keystone Cops, "Eve Wants to Sleep," will be shown Nov. 16. Critics have called it "a bubbling satire on bureaucracy and bumbling auto-theatricalism."

On Dec. 7 a Russian movie, "The Inspector General," will be featured. Based on Gogol's novel, it is set in czarist Russia, the film was described by one newspaper critic as "generally imposing rendition of a perfect cast."

A 94-minute Bulgarian film called "Stars" will be shown Jan. 18. A love story between a Nazi sergeant and a Jewish girl, it is the first major film to come out of Bulgaria. The Manchester Guardian called it "an extraordinarily good film."

Other movies included on the university's second Slavic Film Festival, 1964, to be shown March 2, and the Russian movie, "Peter the First, Part I" on April 18, which received the grand prize, Paris Film Exposition, 1957.

George Carson, fishing and hunting expert from the St. Louis Globe-Democrat, will conduct a fishing clinic at Tower Lake on Southern Illinois University's Southwestern campus Saturday.

The clinic is open to the public, but participants must have a fishing license if they are 16 years of age or older, and should bring rods, reels and bait.

Prizes will be awarded in various categories for fishing achievement.

Recreational fishing will be from 10:30 a.m. to noon. Recreational fishing is scheduled from 1 p.m. to 2:30 p.m. A concession stand will be open at the lake at noon.

Campus Athletic Teams To be Called Cougars

Athletes representing Southern Illinois University's Southwestern campus in intercollegiate athletic competition will be known as the Cougar. The name was heavily favored in a recent student poll and has been approved by the university administration. The Cougar nickname gained favor after a live cougar was reported sighted early in the construction of the new campus. SIU-SW began intercollegiate athletic competition yesterday with a soccer game against Blackburn College at Carlinville.

Profit in Sale of Stocks Taxed

By THOMAS E. O'HARA
Chairman, National Association
of Investment Clubs

Q I don't watch the market every day, but for the last 10 years I have invested from time to time in Park-Davis, Bell & Howell, Ford Motor Co., Standard Oil of New Jersey, J. S. & A. Co., Alcoa and Buell. It has been suggested that because I don't watch the market closely, I should sell out and buy mutual fund stocks. What do you think?

A You have accumulated some good stocks and, if you have held a number of them for 10 years, you certainly have a nice profit. So, failure to watch the market every day obviously hasn't hurt you up to now.

First, if you sell those stocks you are going to have to pay a tax on your profits. Second, if you then buy a mutual fund, several percent of your money is going for sales charges and the odds are those very same stocks you already own will be in the

portfolio of the fund you buy. You own shares in General Aniline & Film, and Transamerica Corp. Should I sell some of them?

A Without knowing what your goals are, I'm hard put to tell you what to do. If you're after growth, you have to sell. If you need top income, then you should talk to your broker about selling some of these and getting some stocks that will pay better dividends.

Have you a question about investing? Mr. O'Hara, editor of the monthly magazine, "Better Investing," and one of the nation's recognized authorities, will answer as many as possible in his column or by personal mail, but must limit questions to those of general interest.

Correspondents will receive a free copy of "Better Investing." Write to: Thomas E. O'Hara, Editor, Association of Investment Clubs, Dept. S, Box 1066, Detroit, Mich. 48231.

How Many Exemptions to Claim?

(Internal Revenue Service)

Q I'm already claiming all my exemptions. Can I reduce my withholding any further? I could use the money to pay some of my medical bills.

A Additional withholding allowances may be claimed based on your actual itemized deductions last year. Ask your employer for Form W-4 and attach Schedule A.

To claim such additional withholding exemptions, the taxpayer must expect his itemized deductions for the current year to be at least as much as they were last year.

For someone in the \$4000-\$6000 wage bracket, an additional exemption is allowable if itemized deductions were at least \$1200 for 1966 and are expected to be at least that much in 1967.

Earners in the \$6000-\$10,000 wage bracket must have had and expect to have at least \$1700 in deductions to be entitled to an additional withholding exemption.

Work By College Student

Q I'm working for part of my room and board at college. Is this money my income? I have to pay tax on this.

A The general rule is that any money you receive for work you do for your room and board is taxable income. If you have several employees who work for you in a straight commission basis, do I have to withhold any taxes for them?

A Yes, you do. The withholding requirements apply to payments to employees of commissions and bonuses as well as regular salaries.

50 YEARS AGO

OCTOBER 12, 1917

At a meeting at the Moose Hall attended by many Tri-City residents who are owners of autos, it was decided to take steps to form a permanent organization to look after the interests of motorists of this vicinity.

George E. Coudy was selected as temporary chairman and William J. Berger as temporary secretary.

W. C. West of Venice, Bernier will draw up rules and by-laws and Elmer McNary and George W. West will be publicity chairman.

The association will acquaint voters with the Madison county good roads bond issue to be

voted on next March 20.

One of the balloons from the aerial training station at St. Louis descended in the playground of the McKinley school just before Wednesday afternoon's wind and rain storm.

The pilot of the balloon was caught beneath the basket and was almost suffocated by the gas before bystanders were able to release him. The incident was a thrilling one when they saw the big bag teetering on the school yard.

That the local boys at Camp Taylor in Kentucky appreciated the "Comfort Kits" provided them when they departed from the training camp is evidenced by the letters their relatives received, stating their satisfaction.

25 YEARS AGO

OCTOBER 12, 1942

Local boys and girls have built up a huge scrap pile in the school yard and have been turning it into a fund for aluminum, copper and other metals valuable to the war effort.

A house-to-house collection has been made. One enthusiastic group of youngsters rolled a 1000-pound, 25-foot steel pipe over a road block and used it as a floodlight standard in Wilson Park and was moved to Nidringhouse school.

The metal was converted into tanks, airplanes, guns, bullets and submarines.

Pvt. J. B. Harris Jr., stationed at the Persia Army post, has been ordered to return to his home to come here and view the World Series game, but the Cardinals ended the series too quickly.

The Sunset Euchre club met with Mrs. Gus Lignou Jr. of Community Heights. Mrs. George Schindler was winner of

first prize, Mrs. John Arbogast received second prize, Mrs. Henry Reinhardt was third and Mrs. Carl Pulse fourth. The next meeting is to be with Mrs. Koesterer at Madison avenue.

The Jolly Circle club met with Mrs. Joseph Vrenick on Jorden avenue. Mrs. John Gernatky, Mrs. Anton Kohli, Mrs. Vrenick, Mrs. Walter Hegel and Mrs. George Mueller held winning cards and received favors.

The club will meet again in two weeks with Mrs. Lee Chase, 2414 town.

The Community high school curriculum is being adjusted so that the first term of the school can offer accelerated junior courses in nursing.

Proposed erection of 350 "de-mountable" houses of four to five rooms each on a 40-acre tract near the Javes has been suspended by the federal government. The project had been developed to relieve the acute housing shortage here. The Granite City Housing Authority has 400 applications for units.

OPPOSE DEMOCRATS DUE TO VIETNAM STAND

To the Editor:

The following letter is meant as an open letter to the Democratic party organization in Madison County:

We, the undersigned, are thoroughly disgusted with the position of the United States in the world today, and specifically concerning our involvement in Vietnam.

We believe that the war in Vietnam was a blunder from the beginning, and that the resources of this nation are being drained to save this nation's face, it being inconceivable that we could ever be won.

The promising domestic reforms for which the Democratic party has stood so long have begun to stagnate.

"The Great Society" has become a massive military state, run for the benefit of the army and big business for the purpose of campaign ribbons and profits.

While our cities decay, we go out to save the world, whose inhabitants have begun to ask themselves whether they want our particular brand of salvation.

We feel that the Democratic party and Lyndon Baines Johnson are to blame.

The party is guilty of following any lead Johnson takes, and for its silence in the face of its leader's errors. Johnson's guilt lies in his massive egotism and pride, before which mere mortals quail.

We therefore must make it known that we cannot support the Democratic party in 1968 unless the party repudiates the man who led it and the party who led it to the well-marked path of enlightened social progress into the uncharted swamps of somebody else's business.

We will support only those Democrats who have spoken out in favor of negotiation and withdrawal. . . and we urge other Democrats of good will to do the same.

AGAINST RAZING OF HOMES FOR RENEWAL

To the Editor:

I attended the Granite City council meeting Oct. 2 and one of the most silly and detrimental things to the public that I have ever heard of was brought before the council.

This was the movement called urban renewal. It boiled down to tearing down a lot of private homes, mostly in the neighborhood of the hospital.

In the first place, the private homes that would be pulled over by a bulldozer are first-class residences. I have been inside some of these homes and I find they are among the best that I have seen anywhere.

Second, a large majority of the people who own these homes and seek homes elsewhere was born there or has lived there many years.

Having spent most of their lives there, they evidently like their homes and neighborhood or else they would have moved somewhere else. To prove that point, it is very seldom that I see a "for sale" sign on any home in that part of town.

I have a friend who lives in the 2100 block of Washington avenue. I like to visit him from time to time and he has remarked to me several times in the last 25 years that he likes to live in this life there. He likes to live there.

Third, if these private homes were torn down and procedure were followed here that have been followed in some communities.

Standard Eastern have storage and distribution facilities (\$1.4 million); Parsons and White more than a paper mill (\$1 million); Vietnam American Textile and Finishing Mills, Ltd., a textile mill with a limited amount of capital investment.

In addition, there are some twenty-five small American firms, including trading companies, which are doing business in Vietnam and Bank of America, have opened branch offices in Saigon.

Two American banks, Chase National Bank and Bank of America, have opened branch offices in Saigon.

Four large construction firms are performing contract work: Morrison-Knudsen, Brown and Root, Raymond International, and J. A. Jones; they have made no direct investment.

Dear Mr. C. A. C.

These private American companies have substantial investments in Vietnam: Caltech (Asia) Ltd. and Eero

No Good Reason for County Multiplier; Review Board Should Act to Avoid It

Speculation that Madison county is headed for its first assessment multiplier in many years is a disturbing thought.

It confronts the Madison County Board of Review with the duty to immediately take steps to avoid loss of the present "one" multiplier.

If State Revenue Department projections indicate that \$40 million must be added to the total Madison county valuation in order to maintain statewide uniformity, it is up to county assessors to make sure this is achieved by setting their own multipliers for individual townships where justified. In this way, the entire county need not be affected, but only those areas now enjoying unfairly low taxation.

It has always been considered politically unpopular for a county to single out particular townships whose assessors record inadequate property values. The reason why there are no township multipliers in Madison county. But the alternative—all property taxed more heavily and inequities perpetuated—seems unfairly low taxation.

If it is now clear to the Board of Review that adjustments by the 24 assessors will not bring a sufficient net increase in overall county assessment, the board has a clear responsibility to make further adjustments itself—either with township multipliers or a close approximation of them through revision of many individual assessment figures.

There is simply no good reason why most assessments should have to be multiplied. They already provide, in most areas, enough of a tax base to open the taxpayer's eyes. We don't think an across-the-board increase in this county should be, or will be, tolerated by the public.

Setting the Record Straight On an Unvanishing Industry

Most readers know very little about newspapers. When they do, they are usually impressed by the New Newspaper Week this week provides a time for newspapers to tell their story—that "newspapers get things done" and that as a method of communications they are neither dead nor vanishing.

Just as we read that their newspapers for granted, newspapers often take for granted that the public fully understands the many-faceted role newspapers play—as news gatherers, public servants, defenders of freedom,

sory attendance laws in 1867, when the U. S. Office of Education was established; by 1918, all the states did.

In the little red brick buildings of the city, in the white frame schoolhouses of the countryside, American education was blossoming.

The first Office of Education survey in 1870 showed that only 57 percent of school-age children attended school; by 1897, more than 83 percent did.

Other comparisons of those years suggest the rate at which American education was changing from a privilege for the few to a program for the masses.

In 1870, the average youngsters attended school only 78 days a year; by 1897, he went to school nearly 150 days a year.

Spending, Graduates Increase

In 1870, the annual school expenditure per child was \$15.55; by 1897, it was more than six times as much.

In 1870, only 8000 people received college or university degrees; by 1897, more than 180,000 degrees were awarded.

In 1870, only two percent of our youth earned a few dollars in wages; by 1897, 45 percent did.

More High Schools, Colleges

High schools, confined largely to the cities and a few wealthy rural areas in the latter part of the 19th century, had become a recognized part of American life throughout the nation by 1897. The university, which existed in name only in 1880, was now a reality. 24,000 people received advanced professional degrees in 1897.

Extension courses were beginning to take the opportunity for college study out into communities where there were no higher education institutions. Junior colleges began to appear at the end of the century, were multiplying rapidly. . . from 46 in 1917 to 453 in 1957.

Only two states had compulsory attendance laws in 1867, when the U. S. Office of Education was established; by 1918, all the states did.

educators, entertainers and advertising and sales media.

Newspapers, far from dead, are today among America's great growth industries. They are far from vanishing, too; they are producing more news and advertising pages for more people and paying more wages to more employees than ever before. Content also is being upped and diversified. And they give 700,000 young businessmen, the carrier boys, what for many of them is their first earning experience.

Employment by newspapers averaged 353,000 during 1966, up 2% over 1965 and over 1947. Newspapers spent more than \$1 billion for news and modernized plants in the past decade. Enrollment at journalism schools was up 16% last year over 1965 and up nearly 100% over 1960.

Beginning with America's first one in 1690, newspapers have not only operated as a profitable business but also spoken for the people, guarding the rights of individuals against entrenched power and abuse of office and fighting to this day to keep doors open wherever and whenever public business is being transacted.

The story is one that needs telling because it is the truth and because the opposite impression—that newspapers may become as extinct as the Dodo bird—is held by many people. On this special occasion, we're happy to help set the record straight.

Success of United Fund Drive Depends on Each Contributor

Report meetings have begun, and there may be a tendency in the current United Fund campaign to assume that the barometer of contributions will automatically climb toward the objective during the five weeks of the drive.

But much effort and honest generosity go into fund-raising if it is to be successful. The percentage attained of the \$384,000 goal will rise only as rapidly and far as Quad-City families, employees, businesses and organizations authorize pledges or gifts for the next year.

Some of the burdens borne by American servicemen here and in Vietnam will be eased only if the United Fund agencies are able to maintain and expand their services. The quality and wholesomeness and health and enjoyment of life in this community will improve in relation to other U. S. agencies' ability to carry on desirable and often essential programs.

Contributions 6% higher than a year ago are needed. If each of us turns in his fair-share gift, the series of report sessions will be able to record an important victory for all Quad-Cityans and for concept of voluntary financing of welfare and character-building services.

Footnote to the Air Purity Issue

Comments at a meeting of the Illinois Air Pollution Control Board last week in Springfield provide an interesting footnote to local pure air discussions.

In reviewing Granite City progress, Technical Secretary Klassen of the state board said, "There are two types of approaches to air standards. An air pollution board can work to create a good image for itself and then find itself having to give numerous variances in enforcing its regulations. Or it can develop workable standards of regard of what it looks like to the public, enforce them and then make additions to them whenever possible."

Because the variance procedure makes a community's economic survival subject to the judgment of a small group of people rather than specific regulations and numerical values—individual opinion instead of law—it seems clear that the Granite City municipal government has made the right choice.

Sunday's Ozark Trip

Attracts 172 Tourists

Probably the most successful one-day excursion ever planned by the Granite City park district will take place Sunday in the Black River region of southeastern Missouri's Ozark Highland country, according to Harold Brown, park district superintendent.

A total of 172 persons made reservations for the one-day bus trip, with more than 75 others registered on a waiting list, unable to be accommodated. An additional 37-passenger bus was added last week to three 45-passenger vehicles originally scheduled to make the trip, the park official explained.

The excursionists will travel near Taum Sauk Mountain, the highest point in Missouri, an area noted for its high hills, deep narrow valleys and attractive lakes, streams and springs.

A midday meal will be served at the Black River Lodge, a well-known resort facility near Lesterville, Mo. Tour-goers will spend about two hours at the lodge before the return trip, arriving at the Wilson Park departure point at 7 p.m.

Flower Cuttings to be Given Away Tomorrow

Local gardening enthusiasts may pick up free flower and plant cuttings at 8 a.m. tomorrow at Wilson Park, in the annual give-away project sponsored by the Granite City park district.

On Saturday, Oct. 28, also at 8 a.m., local youngsters bringing their own containers may receive free goldfish from the Wilson Park ponds.

Both give-away programs, open to residents of the Granite City park district, were explained.

99 Building Permits Obtained in County
Ninety-nine building permits for new construction in unincorporated areas of Madison County were issued during September, according to Jack Clifford, county building official. The approximate value of the buildings is \$1,813,909.

Sixty-four were for new homes valued at \$1,257,870; 20 for garages and additions at \$52,619; seven for business and commercial purposes at \$11,795; two for apartments at \$90,000 and six for advertising signs at \$1625.

The county collected \$4018 in fees.

announced this week by Harold Brown, park district superintendent, who advised those interested in tomorrow's flower distribution, or next week's goldfish give-away, to be on hand at the park gardens area promptly at 8 a.m.

Several hundred youngsters and adults annually participate in the two fall projects, he said. The park official again reminded local children that they must provide their own containers to obtain the goldfish. Cuttings included in the bundles to be distributed tomorrow are Daffy Miller, Red Salvia, Weeping Lantana, Croton Coleus and yellow and red Coleus and Robins, among other varieties, Brown said.

Wins Sales Award

Award of a sterling silver serving tray to Wayne Siegrist, 2004 Garfield avenue, for outstanding sales for the Woodmen of the World Insurance Co. during the period Sept. 10 to Oct. 5, it was announced this week. The presentation was made by Marvin Watkins of Omaha, Neb., field manager for the eastern division, during a recent awards banquet at Mt. Vernon.

Bids for Hospital Annex To be Ready by February

A timetable for start of the expansion and modernization project to add a wing to St. Elizabeth Hospital was outlined for the Lay Advisory Board Monday afternoon by Joseph Standish, architect, who said that construction bids should be in by next February. Joseph Gilk, president of the board, called upon Standish for the outline.

The working plans for the initial phase of the overall \$8,500,000 expansion-modernization program are to be ready by Dec. 1, and will be forwarded to the state Department of Public Health for review.

"That will take about a month, and then we should allow four to six weeks for the bidding," the architect told the board.

Construction of the new wing — to be built along the east side of the 2100 block of Iowa street — will take about two years.

From six to eight months will be required for the proposed alterations to the present structures.

"Overall, it will take about three years to do the entire job

as presently planned," the architect said.

Sister Mary Thomas, hospital administrator, explained the added grant of federal funds allocated to the hospital under the Hill-Burton Act.

She said that of the \$616,830 total, \$194,793 is for general construction, \$360,989 for extended care facilities and \$61,048 for a diagnostic and treatment center. With the added grant, the total federal aid to the hospital's expansion-modernization program now totals \$1,292,836.

In other business, the board reviewed a set of revised by-laws, with final action to be taken at the November meeting. Formation of a seven-member executive committee of Hospital Associates is being completed for a meeting of the group on Oct. 18. The committee is to be made up of large donors to the hospital's building fund campaign and will aid the hospital with the building program planning.

Airman, Family on Taiwan In Today's 'Yule Mail Call'

A local airman who, with his wife and daughter, is stationed on Taiwan (Formosa), appears among the service personnel listed in today's version of "Yule Mail Call."

Airman First Class Ronald F. Hoover and family will be happy to hear from friends back home, according to the service-

man's parents, Mr. and Mrs. Frank Hoover, 2011 Buxton avenue, who submitted the family's address to the Press-Record's pre-Christmas service project.

To ensure accuracy, persons wishing to include a serviceman on the lists to be published in subsequent issues are asked to mail the individual's name, rank, serial number and correct address, including APO or FPO when applicable, to Yule Mail Call, Press-Record, 1815 Delmar avenue, or bring the information written on a slip of paper to the newspaper office.

Parents, relatives, friends, church and service groups, or individuals are invited to submit the names and addresses of Quad-City military personnel, serving at home or abroad. These sending in the names are asked to identify themselves in the event verification of complete addresses is necessary.

Names and addresses will be published as they become available. If the area of service is noted, it will appear in parentheses following the official address.

Buying a home on your own is a complicated business, fraught with mystery.

Better see the Man from N.A.R.E.B.
Your Realtor has all the clues about what to look for in a house. He saves you time and trouble tracking down leads that turn out to be dead ends. A Realtor is a professional in real estate who subscribes to a strict Code of Ethics as a member of the local board and of the National Association of Real Estate Boards. He'll smooth over the details of home-buying. The man from N.A.R.E.B. is the man to see. His I.D.7 This seal, which only a Realtor may display.

Card of Thanks 32

We wish to thank our kind friends and neighbors for their acts of love and sympathy during our recent loss of our son and brother PHILIP EDWARD WROLEN. Also, we want to extend grateful thanks for the beautiful floral tributes to our loved one. Special thanks to Rev. Kenneth Brand, Scott Air Force Base, A/2C Cliff Rutter, vocalists Sandra Stewart, Brown, Carolyn Ellis and Davis Funeral Home.

THE WROLEN FAMILY
32-10-12

We wish to thank our kind friends and relatives for their acts of love and sympathy during our recent loss of our sister DOROTHY BRADVOGEL. Also extend grateful thanks for the beautiful floral tributes to our loved one. Special thanks to Rev. Paul Surbey, pallbearers, and Mercer Funeral Home.

THE FAMILY
32-10-12

We wish to express our sincere thanks to St. Elizabeth Hospital, first floor nurses and aides, Bro. Phillip Powers, Mercer Funeral Home, friends and relatives for their kindness and sympathy in the recent loss of our dear father, grandfather, grandfather and great-grandfather.

THE THOMAS "JEFF" BAILEY FAMILY
32-10-12

Our thanks and deepest appreciation to our many friends and loved ones for their kindness during our recent loss. We gratefully acknowledge the tribute paid by the students and faculty of high school. Special thanks to Mercer Funeral Home, pallbearers and Rev. Kolbe.

In Memoriam 33

In loving memory of LOMA MAY (KNIGHT) FETTER, Oct. 13, 1905.

She is gone to a better world. Than here on earth. But she isn't forgotten. We think of her all the time.

Sadly missed by—husband, sons, daughters, grandchildren, great-grandchildren, brother and all who knew her.

THE LYBARGER FAMILY
33-10-12

In loving memory of PATSY M. BAILEY, Oct. 1, 1900.

A light is gone from our household. A voice we loved is stilled. A place is vacant in our home, which never can be filled. Some may think you are forgotten. Though on earth you are no more, But in memory you are with us as you always were before.

Sadly missed by—HUSBAND, CHILDREN and GRANDCHILDREN

33-10-12

In loving memory of our dear father, STEVE PUTISE, October 13, 1908.

A silent thought, a secret tear, A loving memory, dear

For the first time in many years, local shoppers will not find the artistic and humorous endeavors of hundreds of Granite City senior and junior high school students displayed in store windows this Halloween.

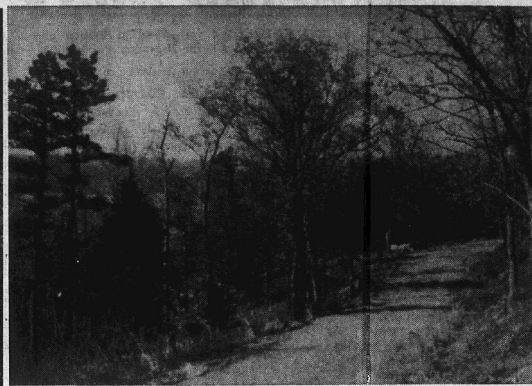

According to a spokesman for the Associated Retailers and Civic Association, which annually sponsored the Halloween poster contest, the event will not take place this year. A declining interest since poster entries were substituted for paintings on store windows about three years ago, and difficulty in placing the large number of posters submitted by the students were cited as the reason for curtailing the contest. Between 350 and 400 posters were entered in last year's competition.

Discontinuing the enterprise was by mutual agreement with the Granite City school district's art departments, whose art classes have increased in size considerably since the contest was initiated several years ago, the Retailer Association's spokesman said.

Scenic Views of New Girl Scout Council Camp in Ozark Hill Country

RED ROCK BLUFFS shelve to the water's edge where the lake narrows into one of several arms. The colorful terrain is typical of that found in southeastern Missouri's Ozark hill country. The entire property, containing approximately 1000 acres, will be developed to serve the 12,500 Girl Scouts and 200 adult leaders in the River Bluffs Council's jurisdiction.

PICTURESQUE WOODED TRAILS, clear lakes and an abundance of natural beauty will greet area residents who take the opportunity this Saturday and Sunday to explore the newly-acquired Girl Scout campsite near Farmington, Mo. Open house will be held at the property between 10 a.m. and 7 p.m. on both days. Suggested to families attending — wear comfortable clothes and sturdy shoes and take along a basket lunch.

Open House Scheduled Saturday, Sunday

Hundreds of area Girl Scouts and their families, together with many former Scouters and friends, are expected to converge this Saturday and Sunday on the newly-acquired 1000-acre campsite, nestled in the scenic Ozark hill country, near Farmington, Mo.

Open house will be held both days from 10 a.m. to 7 p.m., affording all Girl Scouts, their families and friends of the Girl Scout movement an opportunity to personally explore the picturesque terrain which is enhanced with two 100-acre lakes, clear tributaries and miles of wooded hills and valleys.

Those driving to the campsite, originally known as Butterfly Lake, may proceed south on Interstate 55 and Highway 67 to Festus and Crystal City, Mo., southeast on Highway 32 to Farmington, take Highway 00 to State Route F and east on Route F for 8.6 miles to the camp.

In announcing this weekend's open house, Mrs. Charles F.

Allen, president of the River Bluffs Girl Scout Council, suggests visitors be equipped in comfortable clothing and sturdy footwear, suitable for walking tours, and take along a basket lunch.

"We hope everyone will join us and enjoy an autumn day in the beauty of the wooded hills of Missouri," Mrs. Allen said. Negotiations are almost completed for transfer of the 1000-acre property to the River Bluffs Girl Scout Council. A few technical details remain to be cleared by attorneys before final possession is secured, a spokesman for the council advised, adding that no difficulty is anticipated in concluding the transaction.

Girl Scout officials point out that the new campsite will be developed to serve more than 12,500 girls and 2000 adult leaders in the River Bluffs Council area.

The council's jurisdiction covers Madison, Jersey, Monroe, St. Clair and Calhoun counties.

plus seven townships in the southern portion of Macoupin county, Red Bud in Randolph county and New Baden in Clinton county.

Funds to purchase the camping area were obtained by the Girl Scouts themselves through the annual sale of Girl Scout cookies, Mrs. Allen said. The property was purchased at a cost of \$85 an acre.

Council officers noted that several years of exhaustive search to locate a campsite, suitable for troop and residential camping, was carried out during the tenure of office of past council presidents, Mrs. George Eubanks, Mrs. John Marsh and Mrs. Allen.

The desired location was finally discovered during the term of office of Mrs. Eubanks of Granite City, who is now serving as camp development chairman.

Bar Group, Judge Monroe Discuss Criminal Cases

Madison county circuit court has adopted a policy to determine whether a person charged with a crime is indigent.

The matter was discussed at a meeting this week of the criminal law committee of the Madison County Bar Association and Chief Circuit Judge James O. Monroe Jr. At the meeting were Irving Wiseman, committee chairman, State's Atty. Leon G. Scroggins, John Gitchett and Robert L. Trone, public defender.

Clarification of the policy was sought after it was noted that most defendants named on the last criminal court docket were being defended by a single defender.

According to the proposed rule, at the time of arraignment, the judge will question the defendant under oath about his financial status if he is not already represented by an attorney and claims to be without funds to employ one.

Court Appointment

If the court determines that the question of indigency is doubtful, the court shall appoint an attorney in all felony cases. In all murder cases, the court shall appoint two attorneys and the appointments will be from roll of lawyers practicing before the court and prepared by the court clerk.

If the defendants, in court-appointed cases, are financially able to pay the attorney fees services rendered, they shall do so.

The question of expenses by the public defender and the court-appointed counsel shall be considered by the court in each individual case.

The second part of the meeting was a discussion concerning comments by lawyers in criminal cases while litigation in court is pending. The matter is to be the subject of a general meeting of the bar.

The committee told the judge that the criminal docket in the county is current at the present time and that it has found that it has been handled effectively by both the office of the state's attorney, the office of the public defender and the courts to the end that no person charged with a crime has been delayed or not effectively and adequately represented.

However, the committee will continue to make suggestions for the improvement of the administration of criminal law.

4-H Club is Youth In Action Program

A 4-H club is a group of young people—boys, girls or both—organized and developed in a community under the guidance of a local 4-H leader. Depending upon the interest of the members, a club may be formed with all home economics projects or all agricultural projects. Also a community club may include both agricultural and home economics projects.

The club holds regular meetings in which the officers conduct a business meeting, members give project talks and demonstrations, and everyone participates in recreational pro-

grams. Local clubs form the base upon which the entire 4-H program rests.

What the 4-H Program Does For Boys and Girls

The main purpose of 4-H is to provide opportunities for the mental, physical, social and spiritual growth of young people. The informal education offered by the program supplements the training received in the home, school, church and other youth-serving agencies. More specifically, 4-H helps young people to:

1. Gain new knowledge, skills and attitudes through real-life experiences.
2. Realize the satisfactions and dignity of work.
3. Develop leadership talents and abilities.
4. Recognize the values of research and learn the processes of making decisions.
5. Understand how agriculture and home economics contribute to the economy and human welfare.
6. Explore career opportunities and continue needed education.
7. Appreciate nature and apply conservation principles.
8. Practice healthful living and constructive use of leisure time.
9. Strengthen personal standards and citizenship ideals.
10. Cultivate desire and ability to cooperate with others.

What 4-H Members Do

The project is the heart of the 4-H program. A wide choice of projects is available for young people who become club members.

Project work can bring many satisfactions to members. From their viewpoint projects may be fun, help develop skills, and offer an opportunity to assume responsibility, make a profit, or save money.

Leaders and parents may see the project as a means to create more interest in daily tasks, strengthen family and community ties, develop leadership talents and abilities, develop knowledge and skills of members, explore vocational opportunities and stimulate and develop the ability to plan.

4-H and the Cooperative Extension Service

The 4-H program in Illinois is organized by the Extension Service in Agriculture and Home Economics of the College of Agriculture, University of Illinois. On the national level the work is directed by the Federal Extension Service of the U. S. Department of Agriculture.
